## **CHAIRMAN-CUM MANAGING DIRECTOR's ADDRESS TO SHARE HOLDERS**

Dear Share Holders,

It is always a pleasure to connect with you!

In my previous communication I said that we expect to grow faster in the coming year (i.e. 2021-2022). Notwithstanding the last 2021 summer season, the Omicron wave, volatility in commodity prices, we built momentum in Q3 of FY 2021-2022 and delivered record revenue and profits in Q4 of FY 2021-2022. I am proud of my team's performance.

I am confident that Cenlub will emerge even stronger post Pandemic years, with broadened offerings and presence in international markets. While pursuing the long-term vision, we will not lose sight of immediate priorities such as restoring revenue growth and implementing profitability improvement measures.

Our long-term vision of achieving exceptional growth will be a success. We continue to explore new areas of growth and have made investments towards strengthening our Core Pillars – Finance / Human Resource / Intellect / Machinery / Supply Base.

We have a mature New Product Development process in place, and our R&D engineers are highly capable. Therefore, we are confident that we will develop and deliver new products and solutions meeting regulatory standards anywhere in the world.

We care for our people and ensure their safety & well-being, while simultaneously training them and providing them with opportunities for growth. This enables them to be highly motivated and dedicated.

None of this would have been possible without the people who make Cenlub Industries what it is today. On behalf of the entire Cenlub Industries, I would like to place on record my deep sense of gratitude to our customers, dealers, business associates and vendors for their trust in the Company. Most importantly, I would like to appreciate all employees who rose to the occasion and fulfilled the needs of our customers and ensured that we grow faster than the market in our business in near future.

I wish you and your family good health.

With warm regards,

**Madhu Mittal**
