COVID-19 pandemic has seriously affected the worldwide healthcare system. COVID-19 pandemic had a major negative impact on the medical devices market, particularly sutures and led to a change in healthcare priorities. With the economies opening up and countries returning to normalcy, surgical procedures are expected to be carried out at a much faster pace. Most of the elective surgeries were postponed or kept on hold to avoid contracting the virus, leading to a shortage in demand for surgical sutures. Hence, a rapid drop in the sales of surgical sutures was observed due to the outbreak of the COVID-19 pandemic. Our core managerial team has excellent medical device industry experience and most of them have been associated with our Company since its formative years. CENTENIAL is committed to working closely with our suppliers and making far-reaching changes across our value chain by encouraging our business partners, suppliers and hospitals, nursing homes to adopt responsible and sustainable practices. However, we are confident that our integrated capabilities and execution brilliance will continue to drive our brand CENTENIAL prominence in INDIA. Further, Your Company's plant is certified by ISO 9001:2015, ISO 13485:2016, WHO-GMP, ISO 45001:2018 and medical devices are in conformity to medical device directives 93/42/EEC, Medical Device Rules, 2017. Further details of operations are given in the management discussion and analysis report, which forms part of this report. I am also indebted to the Highly-Educated Members of the Board for their guidance and to the Honest, Loyal and Committed Employees, as always. Our values always guide us, and our history and heritage as a Company, stands for Trust, Service and High Quality.

Our team enters 2023 – 2024 with confidence. CENTENIAL is an established leader in key growth cardiovascular suture markets, with a large and differentiated portfolio of medical devices, backed by well-respected brands. Further, Your Company's plant is certified by ISO 9001:2015, ISO 13485:2016, WHO-GMP, ISO 45001:2018 and medical devices are in conformity to medical device directives 93/42/EEC, Medical Device Rules, 2017.
