### Item No.5

Section 2(24) of the Companies Act, 1956. His earlier tenure of five years as Manager was completed on 30th April, 1998. Mr.K Dev is Senior President of the Company and his position eminently qualifies him for the post of Manager. Accordingly, the resolution in this item of the notice, reappointing him as a Manager upon the terms and conditions set out in the resolution, is being proposed for the consideration of the members. Liberty is also reserved to alter/ vary the said terms and conditions in conformity with the requirements of Schedule XIII of the Companies Act, 1956 or any amendments thereto.

The Board therefore, recommend the shareholders approval of this item of the accompanying notice.

None of the Directors may be deemed to be concerned or interested in passing of this resolution.

### Item No.6

Article 101 of the Articles of Association of the Company authorised Akzo NV. (the changed corporate name is Akzo Nobel NV.) and / or its subsidiary companies (hereinafter referred to as Akzo Nobel) that so long Akzo Nobel hold not less than 40 % of the Equity Shares in the Company and agreements relating to know-how, technical assistance and patent licence are in force and effect, Akzo Nobel shall be entitled to appoint one nominee on the Board of Directors of the Company who shall be called as Special Director and he will not be liable to retire by rotation. On amalgamation of Rajashree Polyfil Ltd. with the Company the Issued Capital of the Company has gone up due to issuing Equity Share of the Company to the Shareholders of erstwhile Rajashree Polyfil Ltd. Though one of the subsidiary of Akzo Nobel NV. was holding shares in erstwhile Rajashree Polyfil Ltd. the percentage holding of Akzo Nobel in the Equity Capital of the Company still remains below 40 %. In order to retain the existing arrangement for appointment of one Nominee Director as Special Director on the Board by Akzo Nobel, the present percentage holding of 40 % Equity Shares of the Company by Akzo Nobel be reduced to 35 %.

Akzo NV's corporate name has been changed to Akzo Nobel NV and the name Akzo NV/Akzo appearing in Article is required to be substituted by the new corporate name Akzo Nobel NV/Akzo Nobel.

Pursuant to the provisions of Section 31 of the Companies Act, 1956, the Articles of Association of the Company can be amended by the shareholders by passing a Special Resolution.

The Board of Directors therefore, recommend the shareholders approvals of this item of the accompanying notice.

None of the Directors are interested or concerned in passing of this resolution. However, Mr.Peter Wack who is a Special Director and Dr.H G Huether who is a Director on the Company's Board are in the employments of Akzo Nobel Group

companies, and may be considered in that respect as interested or concerned in the resolution.

#### Item No.7

The Company, from time to time, meets its capital expenditure and/or working capital requirements by raising funds by issue of debentures or by borrowing Rupee Term Loans and/or Foreign Currency Term Loans and/or other Loans from Financial Institutions, banks and others in the ordinary course of business. At present the Company can borrow together with the moneys already borrowed (excluding temporary loans obtained by the Company's bankers in the ordinary course of business) upto an amount of Rs.100 crores over and above the paid up capital of the Company and its free reserves i.e. reserves not set apart for any specific purpose. The erstwhile Rajashree Polyfil Ltd. had the limit of borrowing upto Rs.500 crores (Rupees five hundred crores) over and above its paid up capital and free reserves. The total borrowing of the Company which was Rs.57 crores (including Working Capital Loan of Rs.13 crores) as on 31st March, 1997 has gone up after the amalgamation of Rajashree Polyfil Ltd. to Rs.408 crores (including working capital loan of about Rs.3 crores) as on 31st March, 1998. The erstwhile Rajashree Polyfil Ltd. had borrowing in foreign currency which now forms the large portion of the Company's borrowing. Keeping in view the fluctuation in the exchange rate, augmenting long term resources for working capital requirement and future expansion plans, as may be taken up by the Company, it is proposed to enhance the present limit of borrowing from Rs.100 crores (Rupees one hundred crores) over and above the paid-up capital and free reserves of the Company to Rs.300 crores (Rupees three hundred crores) over and above the paid-up capital and free reserves of the Company.

Section 293 (1)(d) of the Companies Act, 1956 requires the consent of the Company in General Meeting for authorising the Board of Directors to borrow money together with the moneys already borrowed by the Company apart from the temporary loans obtained from the Company's bankers in the ordinary course of the business, if it exceeds the aggregate of the paid-up capital and its free reserves (that is to say reserves not set apart for any specific purpose).

The Board of Directors therefore, recommend the shareholders approval of this item of the accompanying notice.

None of the Directors of the Company is concerned or interested in passing of this Resolution.

#### Item No.8

Section 293(1)(a) of the Companies Act, 1956 provides that the Board of Directors shall not without the consent of the Company in general meeting sell, lease or otherwise dispose off the whole or substantially the whole of the undertaking(s) of the Company. The Company is to borrow moneys from time to time for the purpose of the business of the Company by way of

debentures and/or, Rupee Term Loans and/ or Foreign Currency Loans and/or other loans and generally require to secure such debentures /loans by mortgaging and/or charging the properties of the Company. For creating such security, the Company has to wait till the next Annual General Meeting or call an Extraordinary General Meeting for obtaining the consent of the Company u/s 293(1)(a) of the Companies Act, 1956. As the members are aware, calling an Extraordinary General Meeting is a time consuming proposition.

Section 113 of the Companies Act, 1956 requires that the debenture certificates are to be issued, within 3 months from the date of allotment. Further, Section 133 of the Companies Act, 1956 requires that a copy of certificate of registration of charge u/s 132 of the said Act, is require to be endorsed on every debenture certificate. To complete the process, security is required to be created in time unless an extension is obtained by the Company Law Board on application made to it in that behalf for extension of time to issue of debenture certificates beyond stipulated time.

The borrowing by way of Rupee Term Loan and/ or Foreign Currency Term Loan and/or other loans also requires creation of security within a stipulated time. Non creation of security in time may make the Company liable for penal interest.

The Board of Directors is at present authorised to create charge on the assets of the Company at Pune, Mahad and property at Jhankhar. The authority is also sought to authorise the Board of Directors to create charge also on the assets of Rajashree Polyfil Division of the Company.

In order to enable the Board of Directors to create security within a stipulated time, in favour of the Agents and Trustees to Debentureholders / Financial Institutions/Banks/other persons, it is necessary that an authorisation u/s 293(1)(a) of the Companies Act, 1956 be given to the Board of Directors with a power to dispose off the whole or substantially the whole of the undertaking(s) of the Company. Authorisation is also sought to the Board of Directors agreeing to the Agents and Trustees / Financial Institutions / Banks / other persons retaining the power to take over the management of the business and concern of the Company in certain events. It is therefore, necessary for the members to pass a resolution under Section 293(1)(a) of the Companies Act, 1956.

Authorisation is sought in the said resolution securing debentures/loans upto an amount, not exceeding Rs.300 crores (Rupees three hundred crores) over and above the Paid-up Capital and Free Reserves of the Company or such other amount as may be determined by the Company in General Meeting from time to time.

The Board of Directors therefore, recommend the shareholders approval of this item of the accompanying notice.

None of the Directors may be deemed to be concerned or interested in passing of this resolution.

The turnover of the Company (including erstwhile Rajashree Polyfil Ltd.) has increased by 36% from Rs.535 crores to Rs.725 crores. However, the Profit before Interest, Depreciation and Taxation has increased by 12% only, mainly on account of lower sales realisation due to depressed market conditions. However these figures are not comparable because of amalgamation. An amount of Rs.37.30 crores representing additional charge of depreciation on revalued Plant and Machinery not transferred to Profit and Loss Account in earlier years and lying under Revaluation Reserve Account has been directly transferred during the year to Debenture Redemption Reserve since the life determined by the valuer is already over.

### SUB DIVISION OF EQUITY SHARE

During the year under review, Equity Share of Rs.100/- each was sub divided into 10 Equity Shares of Rs.10/- each.

### DIVIDENDS

An interim dividend at the rate of Rs.1.80 per Equity Share of Rs.10/- each was declared in November, 1997. Necessary provisions of Rs.418.61 lacs paid as interim dividend and Rs.41.86 lacs tax on interim dividend have been made in the accounts. In view of the inadequate profit and to conserve resources of the Company, the Directors consider it prudent not to recommend payment of Final Dividend on Equity Shares of the Company for the year ended 31st March, 1998.
