DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2007

Your Directors present the 41st Annual Report and Audited Statements of Accounts of the Company for the year ended 31st March, 2007. The oversupply situation of Polyester POY, high raw material and fuel prices, inter-fiber competition and cheap imports of Nylon Tyre Cord Fabric (NTCF) from China have adversely affected the volume growth. Consequently, the gross turnover has decreased by 4.8%. In spite of these competitive pressures, your Company has been able to maintain its market position and achieve these results.

As required under Corporate Governance, the Management's Discussion and Analysis Report which is forming a part of this report, is a reflection of the current state of business. It also deals with the opportunities and challenges faced by your Company and the outlook for the future.
