### PERFORMANCE

During the period under review, the economic activities in the Country slowed down to a state of stagnancy. Marked fall in the scale of operations of industries consuming the products of your Company caused reduction of orders placed on your Company, resulting in lower capacity utilisation, and substantial fall in production and turnover. Secondly, the price of indigenous coal fixed by the Government continues to be high resulting in increase in the cost of production. In a highly competitive market situation, your Company is unable to pass on adverse impact on the cost of production to the customer and is forced to absorb the impact to a large extent causing erosion of margin. Thirdly, taking advantage of the Government's policy of import liberalisation several countries are dumping coke at cheaper price. Your Company is faced with stiff and uneven competition from the imported coke. The cumulative effect of all these factors has taken a heavy toll on the profit of the Company.

### FINANCE & MANAGEMENT

As a part of its prudent resource management, the Company has not availed of the loan facility of Rs.90 lacs sanctioned by the Bihar State Credit & Investment Corporation Ltd., and thus has not incurred any interest charges. The Company also exercised strict cost control in all areas.

### DIVIDEND

Considering the unfavourable trading conditions and low profit earned during the year ended 31st March 1998, your Directors consider that it would not be prudent to recommend any dividend.

### PUBLIC ISSUE OF EQUITY SHARES

Calls Receivable as on 31st March 1998 remained unchanged at Rs.16,41,508.00.

### FUTURE PROSPECTS

Your Directors sincerely hope that under the regime of the present Government at the Centre, there will be a favourable all round change in the economic scenario which will boost the activities of all industrial enterprises including your Company.

### FIXED DEPOSITS

During the year under report the Company has not accepted any fixed deposits under the Companies (Acceptance of Deposits) Rules, 1975 from the shareholders and the public. As on date of this report, there is, therefore, no matured and/or unclaimed deposits.

### PARTICULARS OF EMPLOYEES

There are no employees in respect of whom particulars under Section 217 (2A) of the Companies Act, 1956 and the Rules framed thereunder are required to be furnished.
