Balance of Profit brought forward	184.43	153.54
Profit available for appropriation	308.17	299.01
Debenture Redemption Reserve	18.00	18.00
Debt Redemption Reserve	14.21	14.54
General Reserve	25.00	25.00
Dividend on Equity Shares	56.68	51.38
Tax on dividend	6.23	5.65
Balance carried forward to Balance Sheet	188.05	184.43

* Turnover includes sale of traded products of Rs. 239.53 crores (previous year Rs. 26.93 crores).

During the year 1999 - 2000, two major milestones were achieved. Your Company doubled the capacity of fertiliser plant at Gadepan (Rajasthan) at the project cost of about Rs. 1300 crores. The expansion project was commissioned well ahead of the schedule. With the expansion, your Company has become the largest Urea manufacturer in the private sector in India with a capacity of over 1.5 million tonnes per annum. The Phosphoric Acid plant of Indo Maroc Phosphore SA, the JVC set up in Morocco to manufacture 330,000 MT of Phosphoric Acid per annum, went into commercial production on November 1, 1999.

2. Dividend

The Board of Directors at its meeting held on April 11, 2000 had declared an interim dividend of Rs. 1.40 per share on pro-rata basis on 40,60,00,000 equity shares of Rs. 10 each for the financial year 1999 - 2000. The total outgo on this account was Rs. 62.91 crores. In view of the foregoing, the Board of Directors do not recommend any final dividend.

3. Plant Operation

The production of urea during the year 1999-2000 for Gadepan - I plant was 9.46 lac MT as against 9.57 lac MT in the previous year. Gadepan - II plant produced 3.21 lac MT of Urea from commencement of commercial production on October 20, 1999 to March 31, 2000.

The production would have been higher but for the restricted allocation of Urea under Essential Commodities Act by the Government of India in the months of February/ March, 2000, due to oversupply situation in the Country. The plants also took a turnaround during March/ April, 2000.

4. Retention Price

Gadepan-I

The members are aware that urea price is regulated by the Government of India through fixation of uniform Consumer Price and Ex-Factory Price for individual manufacturing unit under the Retention Price Scheme. Your Company had applied to the Fertiliser Industry Co-ordination Committee (FICC) of the Government of India for fixation of Final Retention Price for urea manufactured at Gadepan-I Plant. The Government of India, Ministry of Chemicals and Fertilisers has on January 28, 1999, notified a Revised Provisional Retention Price of urea produced by the Company effective the date of commercial production i.e. January 1, 1994. Accordingly, the Company has accounted for the Retention Price Support during the current year on the basis of this Revised Provisional Retention Price and further claims worked out based on FICC norms. The matter is being pursued with the Government for early fixation of Final Retention Price.

Gadepan-II

The expansion programme (Gadepan-II) to double the capacity of the fertiliser plant at Gadepan, went into commercial production on October 20, 1999. The Company approached FICC to notify Ad-hoc Retention Price under existing FICC norms. The Government of India notified on December 29, 1999 an Ad-hoc Retention Price for Gadepan-II effective October 20, 1999. The Retention Price so notified is substantially lower than what was expected at the ad-hoc stage. The Company has accounted for the Retention Price Support during the current year on the basis of estimated Revised Ad-hoc Retention Price. The Company is pursuing the matter with the Government of India.

5. Marketing

During the year 1999 - 2000, your Company sold 14.90 lac MT of fertilisers comprising of 12.38 lac MT of urea, 1.98 lac MT of DAP and 54000 MT of SSP and MOP besides sale of pesticides worth Rs. 10.45 crores. The

marketing of imported DAP and MOP by your Company under its brand name 'UTTAM' is part of its long-term strategy to make all nutrients available to the farmer from a 'Single Window.' This will enable the Company to promote the much-needed balanced use of fertilisers and provide support to dealers with other grades of fertilisers.

The Company reaches out to the farmers through a strong marketing network of 865 dealers and 15,774 village outlets to ensure timely supply of agri-inputs and technical assistance. The Agricultural Development Laboratory at Sri Ganganagar established in 1995 continues to provide free service to our farmers through analysis of soil samples, micro-nutrient deficiencies, water, etc.

6. Capital Projects

a) Birla Textile Mills

Your Company is setting up a Spinning Unit namely Birla Textile Mills with an installed capacity of 26,400 spindles at Baddi, Distt. Solan, Himachal Pradesh at an estimated project cost of Rs. 105.5 crores. Out of 26,400 spindles, 18,432 spindles went into commercial production w.e.f. May 1, 2000. The Company plans to replace 8,960 existing old spindles by 12,672 new spindles during the current financial year thus enhancing the installed capacity to 31,104 spindles within the approved project cost.

b) Housing Finance

The members are aware that your Company had taken over ITC Classic Home Finance Limited which was re-christened as Birla Home Finance Limited (BHFL), a 100% subsidiary of your Company. The housing finance business has a high growth potential in view of incentives announced by the Government of India from time to time. Since inception, BHFL has been targeting the retail end of the market. It has opened branches at Noida, Faridabad and Bhopal besides its Registered Office at New Delhi. During its initial phase of operation of 5 months as on March 31, 2000, BHFL has sanctioned loans of Rs. 427.35 lacs and disbursed loans of Rs. 253.88 lacs for housing finance.

The Annual Report for the year 1999-2000 of BHFL is attached.

c) Software Division

'India Software Group' (ISG), the software division of your Company at Chennai, has started its activities to cater to domestic and international software development business. ISG has implemented ERP in Gautier India Limited and Zuari Industries Limited. ISG has also successfully implemented software development packages of various companies in India and abroad. ISG has opened a branch office in London, U.K., to cater to the business needs of the European Countries.

d) Joint Ventures

The Phosphoric Acid plant of Indo Maroc Phosphore S.A., Morocco went into production during the year to manufacture of 3,30,000 MT per annum of merchant grade Phosphoric Acid.

Chambal Agritech Limited, a 50:50 Joint Venture with Technico Pty. Limited of Australia, is setting up a project in Himachal Pradesh, India to manufacture annually 20.52 million miniature potato seeds known as TECHNITUBER™. The technology is a scientifically advanced method of producing large volumes of miniature potato seeds in fewer generations. The estimated cost of the project is Rs. 50.30 crores with a debt equity ratio of 1.5:1. The first stage of the project is expected to be implemented by August 1, 2000.

7. Environmental Protection and Safety

Your Company is deeply committed to environmental protection, pollution control and maintenance of ecological balance. Care has been taken to provide the finest facilities to safeguard the environment in and around the units and to ensure that all statutory requirements of pollution control are complied with. The Company continues to have very strict in-house pollution control monitoring system and safety measures, and have blended these into its management system to ensure ongoing pollution control and safety. The Company is equally aware of its responsibilities towards not only protecting the environment but also taking steps to improve the environment. The Company is maintaining 80 acres of sprawling forest around the plants at Gadepan.

8. Conservation of Energy

Your Company strives to make the plants energy efficient to the extent possible and continually reviews various schemes to conserve energy.

The requisite information with regard to conservation of energy, technology absorption and foreign exchange outgo and earnings in terms of the Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988 is set out in separate statements attached hereto (Annexures A & B) and forms part hereof.

9. Investor Service Centre

Your Company strives to provide the best possible services to all investors through a high level of professionalism and a fully computerised system. The In-house Service Centre of your Company located at New Delhi continues to provide prompt investor service in this direction through 'Over the Counter' transfer of shares up to 1000 shares and quick resolution of investor grievances. The Company has entered into separate agreements with both the depositories i.e. National Securities Depository Ltd. and Central Depository Services India Ltd. for dematerialisation of physical scrips of your Company in accordance with Depositories Act, 1996. With this, the members can hold their demat shares in any of these

depositories. Currently, about 56% of the Company's capital has been dematerialised.

The securities of your Company are listed at National Stock Exchange and other stock exchanges situated at Calcutta, Delhi, Hyderabad, Jaipur and Mumbai. The Company has paid the annual listing fee to these stock exchanges for the year 2000-2001.

10. Fixed Deposit

As on March 31, 2000, your Company had 2941 deposit holders with fixed deposits of Rs. 472.86 lacs. 32 deposit holders did not claim FD amount of Rs. 4.53 lacs as of that date. These deposit holders have been advised to claim their deposits.

11. Personnel

Your Company believes that the employees are its biggest asset and it is committed to the development of this vital resource. The Board wishes to place on record its appreciation of the contribution made by all employees in ensuring the high levels of performance and growth that your Company has achieved during the year.

During the year, numerous training programmes were designed to sharpen and develop human skills with the objective to achieve corporate goals and to provide an opportunity for the professional development of the employees to keep them abreast with the changing scenario in the current environment of globalisation and liberalisation. A climate of harmonious employees' relations prevailed throughout the year.

12. Social Work and Rural Development

Evolved out of the Company's corporate values is its commitment of care for the society and the Nation. In this direction, to meet rising social expectations of the local people and its concern for the neighbourhood, your Company has undertaken various social activities like building and repairs of roads, sinking tube wells, providing free medical checkups, immunisation, provision of facilities like ambulance, fire tenders, etc. The Company is also actively associated with local administration in family welfare schemes and organisation of sports and cultural activities.

As a good corporate citizen, your Company believes that it has a duty towards the country at the time when it faces a crisis. During this period when the country faced more than one crisis, your Company contributed Rs. 60 lacs mainly towards the national causes through P.M. National Relief Fund and National Defence Fund. Your Company shared its deep concern for the families of the martyrs and disabled soldiers who successfully defended our frontiers in the Kargil area. The Company also extended a helping hand to the cyclone affected populace of Orissa and for cause of drought affected states of Rajasthan, Gujarat, M.P. and Andhra Pradesh.

The employees of the Company too shared the pain of those who suffered, and made a suitable contribution so

as to help the families of our brave soldiers and the victims of natural disaster and calamities.

13. Year 2000 compliance

Your Company has successfully managed Y2K transition without any disruption and rollover to the new millennium in a smooth manner.

14. Directors

During the year, Mr. Michael R. Hobson has ceased to be a Director on the Board of the Company w.e.f. February 28, 2000. Your Board wishes to place on record its appreciation for the valuable services and guidance rendered by Mr. Hobson during his tenure as a Director of the Company. Mr. Marco P. A. Wadia, who has a rich corporate experience, has been appointed as a Director in place of Mr. Hobson w.e.f. April 11, 2000, and will continue for the remaining tenure of Mr. Hobson.

In accordance with the requirement of the Companies Act, 1956, and Articles of association of the Company, M/s. Mohd. Y. A. Al-Roomi, Dipankar Basu, P. K. Kaul and A. J. A. Tauro, Directors, shall retire by rotation and are eligible for re-appointment.

15. Particulars of Employees

Information in accordance with section 217(2A) of the Companies Act, 1956, read with the Companies (Particulars of Employees) Rules, 1975, forms part of the Directors' Report for the year ended March 31, 2000, as given in Annexure "C" to this report.

16. Auditors

The Notes on Accounts appearing in Schedule 19 and referred to in the Auditors' Report are self-explanatory and therefore, do not call for any further comments or explanations.

The Auditors M/s. S.R. Batliboi & Co., Chartered Accountants, retire at the conclusion of this Annual General Meeting and being eligible, offer themselves for re-appointment. Re-appointment, if made, will be in accordance with the provisions of section 224 (1B) of the Companies Act, 1956.

17. Acknowledgements

Your Directors wish to place on record their appreciation of the assistance and co-operation that your Company received from the Department of Fertilisers, Government of India, Government of Rajasthan, Financial Institutions, Commercial Banks, Shareholders and all others whose continued support has been a source of strength to the Company. Your Directors also wish to place on record their sincere appreciation of the devotion and dedicated efforts put in by the employees at all levels.
