CHAIRMAN'S MESSAGE

Dear Shareholders,

I am once again reporting to you on the 35th year since your Company was incorporated. It is also the 15th year since your Company became public.

I wish to recall what I had written in our 33rd Annual Report. I had noted about the recession of Indian economy, "*.....thwarted the growth in India. But this can only be a transient diversion and will not last for more than a year or two.*" This is exactly what has happened. The Indian economy has not only recovered but is on a path of robust growth in all sectors. Several Indian companies are buying assets worldwide and India in its own right is becoming a multinational company abroad. I am of the strong opinion that we Indians have inherent strength of coming out of crisis and not only survive but thrive.

I am writing all this because it has direct relationship with the growth of your Company. Increased auto production directly translates into increased sales at our joint venture company Henkel Chembond. More refineries and petro-plants mean better growth for your subsidiary company Chembond Ashland. The infrastructure projects that have been held up for sometime are certain to come up within a few months and that will mean a return to high growth for your construction chemicals division. The new joint venture, H₂O Innovation India Limited, is already busy executing prestigious projects in India and abroad. I can assure you that your Company is dedicated to growth in years to come.

This year has also been a milestone year for your Company with the tremendous appreciation of the shareholder value. It is the sheer shareholders' confidence in your Company that the current share price has exceeded the pre-bonus issue price, meaning more than doubling in a short span of a few months. Thank you shareholders for reposing such a high-level confidence in the management of your Company.

Finally I want to end this message with a verse from Atharva Veda, India's heritage from more than 5000 years:

**"Recognise thy own inherent power
That may cause to infuse in thee
All the virtues of the Universe"**

Best Wishes

Vinod D. Shah
