#### **DIVIDEND** -

In view of the huge loss, your directors regret their inability to recommened payment of any dividend for the twelve months ended 31st March, 1998.

#### **OPERATION & FUTURE PROSPECTS:**

Your Company registered a turnover of Rs. 400 lacs during the year under report. Your Company has continued to sustain losses since 1994. However, due to substantial reduction in various expenses, your company's profit before interest and depreciation has gone-up to Rs. 126 lacs as against Rs. 74 lacs during the preceding 15 months period on 31st March, 1997.

As you are aware, your company had been declared a "Sick Industrial Company" by the Board for Industrial & Financial Reconstruction (BIFR) and IDBI was appointed as Operating Agency of the company. Your company had submitted a revival package on the basis of one Time Settlement (OTS) of the dues of Institutions, Banks and the secured creditors, wherein your company had sought waiver of entire accumulated outstanding interest payable to the Financial Institutions, Banks and Secured creditors. Your directors are pleased to inform you that after the recently concluded hearing of BIFR held on 25th june, 1998, the Hon'ble Bench has directed the Operating Agency (OA) to prepare a draft rehabilitation scheme (DRS) based on the following:

- a) One Time Settlement of the dues of all the involved Banks and Institutions covering full principal plus 20% of the simple interest. 80% of the simple interest and the entire compound and penal interest to be waived.
- The amounts so crystallised should be made payable over a period of two years, with 25% down payment.
- c) The Promoters' contribution should be minimum 30% of the cost of the scheme plus the monetary value of sacrifices.
- d) In case the company receives any compensation for the supply of defective machines from its erstwhile foreign collaborator, Wasgau Plast GmbH against whom arbitration proceedings have been initiated by the company, the same amount would be utilised to recompensate the Banks and Institutions for their sacrifices.

In view of the above guidelines, your company is hopeful to make its networth positive within a time bound period. your company is making all out efforts to have a quick turn-around.

In view of the recent planned revamp of 100% EOU scheme by the Government of India, your company is seriously considering to debond its 100% EOU of unit soles to cater to the domestic footwear industry where exceptional demand - supply gap exists. Your company has given serious thought in reviving the 100% EOU unit sole division, which in turn, alongwith the existing TPR/PVC sole unit would help in turning around the company.

Upon approval and implementation of the scheme by the BIFR, your company's networth would immediately turn positive from the present Rs. 1000 lacs (negative) to Rs. 500 lacs, approximately, without considering further investment of funds. This would be mainly on account of waiver of interest to the extent of Rs. 1500 lacs by the Institutions and Banks.

To go ahead with the proposed scheme as well as to implement Shoe Sole Project on revival track, your Company would require immediate injection of funds to the extent of Rs. 650 lacs. Your company seeks support from the existing shareholders in this regard.

Your company had filed a petition before Hon'ble Supreme Court of India for arbitration proceedings against its erstwhile foreign collaborator, Wasgau Plast GmbH. The Hon'ble Supreme Court has appointed Justice Shri A. N. Sen (Ex-Justice of Supreme Court of India) as Arbitrator. The arbitration proceedings are at an advanced stage.

#### **INDUSTRIAL RELATIONS**

The Industrial Relations in your company continued to be harmonious and cordial. Your Directors wish to record their appreciation of the dedication, loyalty and hard work put in by the employees at all levels.

#### **PUBLIC DEPOSITS:**

Your Company has not received any deposit from the public during the year ended 31st march, 1998.
