**DIVIDEND :**

In view of the brought forward losses, Directors regret their inability to recommend any dividend to the shareholders for the year.

**REVIEW OF BUSINESS OPERATIONS AND FUTURE OUTLOOK :**

Your Company had to face difficult business conditions from the year 1997 onwards due to downturn in Chemicals Industry and competition from China in general and closure/downsizing of the user industries of the Company's products in particular. Your Company, however, initiated efforts to develop new products and dispose of assets to repay the loans from Banks and Financial Institutions. The sustained efforts by your Company started yielding encouraging results from the year 2002 onwards and directors have pleasure in informing that the Company has turned around its performance and has reported profit for the year. Further, your Company has honored all the commitments to the Company's Bankers and has repaid all other loans and statutory liabilities. Your Company expects to continue with the same business performance in the current year.

**DEPOSITS :**

The Company has not accepted any public deposits except some short-term loans from friends and associates of Directors, and the same are repaid during the year.
