to emerge as

message from Managing Director

Dear Stakeholders.

In the year 2009, we the new management of the company had chartered out a growth plan for the next ten years for achieving our vision of becoming a leader in the financial services industry. The growth plan had been divided into three stages i.e. Immediate, Aspirations & Ambitions.

informing that your company in the last two years has been successful in achieving the immediate plans. The company had taken various steps in achieving the goal in the timeline set. The performance of your company in the year 2010-11 truly reflects the efforts taken by the team. Your company has registered a growth of 36% in income and 26.31% in Profit after Tax over previous year's performance on consolidated basis. The earnings per share of the company has increased by 18.07%, to ₹4.64 as compared to previous year. Further, we are pleased to inform that all the regulatory approvals have been received or these opportunities

are in the advanced stage of the approval.

I strongly believe that what we achieved so far is the beginning of new era of growth. During the year 2010- 2011, we stepped up our commitment to build organizational competence, management bandwidth and the ability to execute our strategic initiatives. In addition, the Board has in place I take great pride in strategy for each of the business vertical of the company while catering to the diverse needs of its clients. This strategy is implemented keeping in mind the responsibility of the company towards the various stakeholders.

> The future outlook for your company is quite positive as indicated by the current performance combined with the vast pool of expert knowledge. The company in the coming years has its focus to expand its presence both in terms of geographical reach and the business segments, it serves. We believe that India is a great land of opportunity and your company is well positioned to benefit from

Before I conclude, I would like to thank the entire Choice team for their consistent performance. I take great pride in the performance of our people.

Stepping into the New Year, we are confident of our way forward and are committed to delivering enhanced value to all our stakeholders. I would like to thank our valued clients and associates for their support, which has been critical and integral to our success. Last but not the least, I thank our shareholders for their continued confidence and faith; I assure you that my team and I will live upto the trust you have reposed

We look forward to an exciting year ahead with new milestones and accomplishments.

Best Regards,

Kamal Poddar Managing Director

our Values

Stand by our words

We always keep promises - big or small. We work tirelessly to proactively address exceptional circumstances when we face challenges in keeping our commitments.

Valuing differences and respecting them

We are passionate about encouraging diversity and equal opportunity at Choice. We treat every person with respect and value his or her ideas and thoughts. We view constructive differences in opinion as learning opportunities and make decisions rationally.

Honour and develop expertise and apply it to uniquely benefit our customers

We value industry and functional expertise and recognize that our clients look to us to provide the best solutions. We make the investments needed to help our associates build and apply the expertise required.

Anticipate ideas and trends, not just follow them

Our success depends on our ability to innovate and outdo the competition. We think deeply about the new trends that impact our business and are not shy about developing new ideas and taking calculated risks to succeed in a rapidly changing environment. Being an early mover and anticipating trends are the keys to our success.

Recognize and fulfill our responsibilities to the communities around us

We are sensitive to the needs of the communities around us. We constantly look for ways to help them overcome challenges. Our contribution is an important corporate and individual priority.
