Item No. 5

The Company has been in the field of manufacturing of Pickles, Ketchups, Instant Mixes, Syrups and other processed foods over past several years. The performance and growth of the Company over past few Years has become stagnant as the sourcing of right and qualitative Raw Material, i.e. Raw Mangoes, Lemons, Tomato, Spices and other Agri based products, due to its scarcity day by day, during the very limited period of its season has become crucial. The processing of these Agri based Products within a day or two of its procurement and further its preservation without loss of quality and taste and marketing throughout the year is also a difficult task. Thus, the Company was forced to restrict its overall production and thus the growth was restricted.

Now the Company is in the process to widen its production and marketing base so as to cater to various untouched markets in various States. The Company also intends to introduce various tastes of different regions. For all these activities the Company will have to procure and process Raw Material throughout the country and will have to change its marketing strategies including incurring heavy expenditure in establishing its present ongoing Brands throughout the country. The Company also intends to enter export market and establish its Brand in overseas market. For undertaking all these activities the Company shall be required to deal with other business units of the Relatives of the Promoters/Directors, who are already experienced, engaged and established in Food Industry over decades.

Further to the applicable provisions of Section 188 and any other provisions of the Companies Act, 2013 and Rules framed there under, the Securities and Exchange Board of India vide its Circular No. CIR/CFD/POLICY CELL/2/2014 dated 17th April, 2014 has amended the Clause 49(VII) of the Listing Agreement, which is effective from 1st October, 2014. Under the said amendments and pursuant to the provisions of Section 188 of the Companies Act, 2013 all Related Party Transactions shall require prior approval of the Audit Committee and all material Related Party Transactions shall require approval of the Shareholders by a Special Resolution. All these contracts or arrangements shall be on Arm's length basis and shall be in the ordinary course of business and as such the provision of Section 188 will not apply for these transactions. The provisions of revised Clause 49 are not applicable to the Company as the Paid up Equity Share Capital is below Rs. 10/- Crs., although the net worth is above Rs. 25/- Crs. However although the provisions of Section 188 as well as Clause 49 are not applicable, as an abundant precaution the Special Resolution as set out at Item No. 5 of the Notice is proposed for your approval. The individual transaction values would be revised, if required, based on mutual discussions to align the same at arm's length market rates, as far as possible duly certified/ advised by the Third Party Independent Consultants.

Accordingly the Company had sought the approval of the Shareholders by way of the Special Resolution in the Annual General Meeting held on 29th September, 2014 under which the Shareholders had approved on the blanket permission basis entering into such type of contracts. 2. COMPANY'S AFFAIRS AND PERFORMANCE

- a) Sale of property at Village Chittimbakkam, District Kanchipuram, Tamil Nadu State.

As the Members are aware the Company is engaged in the manufactures of Pickles, Ketchups, Instant Mixes, Syrups and other processed foods. The main factory of the Company is situated at Village Sangavi- Shirwal, Tal. Khandala, District Satara in the Maharashtra State. The Company had also setup a small place located at Plot No. 100, Village Chittimbakkam, District Kanchipuram, Tamil Nadu State. The said Unit was established mainly to avail the local benefits for procurement of Raw Material and for packaging. However, considering the low operations, the said Unit was not becoming viable and profitable. Accordingly, during the year under the Report the Company disposed off the said property, which does not have a major bearing on the Company's affairs.

- b) Change in Marketing, Sales and Distribution arrangement and sale of Brands.

During the year under Report the Company Sold / Assigned its Brands/ Trade Marks viz. 'Pravin' and 'Toofan' to Raja Flavours and Foods LLP.

The Partners of the above LLP, through their other business concerns, engaged in Food business, have set up very large Distribution Infrastructure and have strong Sales force, that keeps servicing the ever increasing market demands regularly. The Company with this arrangement plans to use their available Sales and Distribution Network to directly push the Products of the Company into the deepest of the Market i.e. making the Products available to a much wider reach/ consumer base and help grow the business at a rapid pace. This will also help the Company to service larger Geographies that it has been unable to cater so far. This will improve the Brand Image and widening of Market both Indigenous as well as Export. This will also enable the Company to fully concentrate on Production activities, and development of new Food Products. The Directors are confident that with

the said arrangement the performance of the Company will grow in the Years to come, which was stagnant over past few years. However there was no major impact and bearing on the Company's affairs for the Year under Report.

- c) Financial Performance

During the year under review the Revenue from Operations of the Company was Rs. 3960.20 Lacs as against Rs. 3504.79 Lacs of the previous year. The export turnover of the Company during the year under report was Rs. 1.92 Lacs as against Rs 24.13 Lacs of the previous year. The Company has earned the Profit before Tax of Rs. 466.56 Lacs as against the Profit of Rs. 234.51 Lacs of the previous year.

3. TRANSFER TO RESERVES

Your Company has not proposed to transfer any amount to the General Reserve. An amount of Rs. 3,29,06,402/- is proposed to be retained in the Statement of Profit and Loss.

4. DIVIDEND

Considering the present sluggish business environment, slow down in the economy, and with a view to augment the long term resources and to plough back the earnings in the business itself, your Directors do not recommend any Dividend on the Shares of the Company.

5. MANAGEMENT DISCUSSION & ANALYSIS REPORT

Introduction

The Indian Food Processing Industry is showing remarkable Growth. The packaged Food processing Sector is one of the largest Sectors in India. However having accepted these facts your Company could not achieve better performance mainly because of the peculiar product range the Company is having. The main revenue generation of the Company, at present is out of the Food Items like Pickles and Ketchups, which are low growth oriented. These Food Products have its own limitations to contribute to the growth success.

Market Scenario and Challenges

Food processing sector is an extension of an Agri-Sector. Both are interdependent on each other for its progress. The developments in the food processing sector have created a demand in the fruits and vegetables segment of Agri-Sector. In this modern era, the consumer demands and tastes have been varied due to changing lifestyles, change in the customer tastes and priorities and that they have become more health conscious.

Competition

'Competition' in Food Industry is very strong and tough, as it covers International Players as well as Players from Organized and Unorganized Sector.
