In view of the loss for the year under Report, your Directors regret their inability to recommend any dividend for the year.

2. OPERATIONS :

During the year ended 31st March, 1998, the freight earnings and charter hire receipts amounted to Rs.8,497.82 lacs as against Rs.8,223.58 lacs during the previous year.

Recent developments in the world economy have had serious impact on dry bulk freight market creating severe pressure on freight rates which was further aggravated by substantial new building deliveries in 1997, 1998 and 1999.

Devaluation of Asian currencies coupled with strengthening of U.S. Dollar has caused postponement of purchase contracts for various commodities creating further pressure on dry bulk freight market and in particular on Panamax tonnage.

In this difficult market situation, your Company managed to keep its vessels continuously employed at the best available freight rates.

3. FINANCE :

During the year under Report, an amount of Rs.4191.37 lacs was paid to International Finance Corporation (Washington), DBS Bank (Singapore), State Bank of India, The Industrial Credit & Investment Corporation of India Ltd. and Times Bank Ltd. towards loan instalments and interest due to them. In addition, an amount of Rs. 808.40 lacs was paid to the Shipyards towards stage payments for M.V. Maratha Memory and M.V. Maratha Crystal which were delivered during the year.

The Company has prepaid Rs. 1,272 lacs being entire loan outstanding to Government of India in June, 1997 by raising Refinancing Loan from ANZ Grindlays Bank Ltd. and an amount of Rs. 35.28 lacs, being interest due thereon, was also paid to Government of India.

4. FLEET RATIONALIZATION :

The Panamax Bulk Carrier viz. M.V. Maratha Memory ordered on Keelung Shipyard of China Shipbuilding Corporation, Taiwan and the Mini Bulk Carrier viz. M.V. Maratha Crystal ordered on Borneo Shipping & Timber Agencies Sdn. Bhd., Malaysia were acquired in June 1997 and August 1997 respectively. The Company's Fleet now consists of 5 Panamaxes, 1 Handy Max and 6 Mini Bulk Carriers aggregating to 420224 DWT, with an average age of about 7.4 years.

A new building Mini Bulk Carrier of about 3250 DWT is under construction at the Loutulim Shipyard of Chowgule & Co. Ltd., Goa, for which 100% Lease Finance has been arranged with State Bank of India.

5. ISO 9002 AND ISM CODE :

During the year under review, the Company has obtained full-fledged ISO 9002 Certification from The Lloyd's Register of Shipping.

As per the requirements of International Maritime Organisation, the Company has complied with International Safety Management Code (ISM) and obtained Document of Compliance (DOC) for the Office and Safety Management Certificate (SMC) for all its foreign going Bulk Carriers from the Lloyd's Register of Shipping which furthermore were confirmed by the Government of India, as required.

6. SUBSIDIARY :

The information relating to the Subsidiary viz Chowgule Steamships Overseas Ltd., Guernsey has been annexed to the Company's Balance Sheet as required under Section 212 of the Companies Act, 1956.

7. AUDITORS' COMMENTS :

With regard to the Auditors' comment in Para 2 of their Report in connection with the investment of Rs. 63.03 lacs in the Equity Shares of Mandovi Pellets Ltd. (MPL), your Directors are of the view that there is no diminution in the value of this investment because (i) MPL resumed its manufacturing operations pursuant to IDBI's rehabilitation package based on viability study, and (ii) Long term nature of the investment. Accordingly, no provision is considered necessary in respect of the investment in MPL.

With regard to the Auditors' comment in Para 3 of their Report in connection with the provision for leave encashment on retirement, the accounting policy consistently followed by the Company for the previous years is to charge leave encashment on retirement to the Profit and Loss Account on cash basis. The same policy is followed during the year ended 31st March, 1998 because of the peculiar nature of the employment terms and rules relating to the leave entitlement of the floating staff members where accumulation of leave on retirement cannot be accurately ascertained in advance.

8. INSURANCE :

The Fleet of the Company has been insured against Marine and War Risks for about Rs. 567 Crores.

9. DIRECTORS :

Mr. V. D. Chowgule, Mr. Y.D. Chowgule and Mr. S.Y. Rege, Directors, retire by rotation at the ensuing Annual General Meeting and are eligible for re-election.

During the year under Report, Mr. M.K. Tandon, Nominee of General Insurance Corporation of India (GIC) and Mr. S.C. Anand, Nominee of The Industrial Credit and Investment Corporation of India Ltd. (ICICI) resigned consequent upon withdrawal of their nomination by GIC and ICICI respectively. Your Directors place on record their appreciation for the valuable advice and guidance received from them during their tenure as Directors of the Company.

The Government of India withdrew their Nominee Mr. S. Ramasubramanian from the Board of Directors of the Company. However, ICICI appointed Mr. S. Ramasubramanian as their Nominee in place of Mr. S.C. Anand. Mr. S. Ramasubramanian continues his association with the Company, now as Nominee Director of ICICI.

The present term of office of Mr. Shivajirao Dattaji Chowgule as Managing Director of the Company as approved by the Board and Members of the Company at the General Meeting, will expire on 15th April, 1999. Your Directors re-appointed him as Managing Director of the Company for a further period of five years from 16th April, 1999 and the Special Resolution in respect of his re-appointment and terms of remuneration is being placed before you at the ensuing Annual General Meeting for your approval.

10. AUDITORS :

The Shareholders are requested to appoint Auditors for the ensuing year and to fix their remuneration. Messrs S.B. Billimoria & Co., the retiring Auditors, being eligible, have given their consent to be re-appointed.

Annual Report 1997-98
