MANAGEMENT DISCUSSION AND ANALYSIS

Business Overview

Industry Structure and Development

India has experienced rapid Growth in recent years India's GDP grew at 9.4%, 6.7% and 7.4% in fiscal 2008, 2009 and 2010 respectively. In the current fiscal, Industrial growth was driven by robust performance from Agriculture, Industry and Services sector.

Entertainment Industry

The Indian entertainment industry has out-performed the Indian economy in last few year and is one of the fastest growing sectors in India.

The Indian Media and Entertainment (M&E) industry stood at US\$ 12.9 billion in 2009 registering a 1.4 per cent growth over last year, according to a joint report by KPMG and an industry chamber. Over the next five years, the industry is projected to grow at a compound annual growth rate (CAGR) of 13 per cent to reach the size of US\$ 24.04 billion by 2014, the report stated. Additionally, the gaming segment is expected to be the fastest growing sector in the M&E industry. The sector showed a 22 per cent growth in 2009 and is expected to grow at a CAGR of 32 per cent to reach US\$ 705.2 million by 2014, while the animation segment is expected to record a CAGR of 18.7 per cent in the next five years as per the joint report.

International media giants are all vying for a stake in the segment. In the last few years, lot of foreign direct investment (FDI) has flowed into the sector and the Government approved the proposals.

The sector's growth is being propelled by a number of factors such as the corporatism of the film industry, a booming television sector, a fast growing radio sector, a growing market for print products and other technological changes. India is ready to embrace and grow along with the changes the industry is undergoing globally.

Performance

Your Company has, in the previous year, not done much activity on operation side.

During the year under review, the Company has a total income of Rs.10.26 lakhs as against Rs. 29.17 lakhs in the previous year. The Company has made an operating loss during the year of Rs. 56.40 lakhs, as against an operating loss of Rs. 43.84 lakhs for the previous year. However, the loss after depreciation and taxation for the year is Rs. 75.78 lakhs, as against a loss after depreciation and taxation of Rs. 63.75 lakhs for the previous year.

The management is taking best efforts to start the operation at full scale. The management has decided to keep overhead to bare minimum till a new business plan with identified revenue streams is in place.

Outlook

The Indian Entertainment and Media Industry has out-performed the Indian economy and is one of the fastest growing sectors in India. It is rising on the back of economic growth and rising income levels that India has been experiencing in the past years. This is significantly benefiting the entertainment and media industry in India as this is a cyclically sensitive industry and it grows faster when the economy is expanding.
