2. DIVIDEND :

The year 2009-10 has shown glimpses of recovery from the past two years where your company had to fulfill contracts at very squeezed margins. This year inspite of a slight downfall in revenues by about 3.77 % your company could achieve better margins than the previous year. Proactively, in order to maintain the balance between the twin objectives of appropriately rewarding shareholders with cash dividends and of retaining capital to maintain healthy capital adequacy ratio so as to support future growth, your Directors recommend a dividend of 5 %.

3. LISTING ON NSE & BSE:

The shares of your company are listed on the Stock Exchange, Mumbai (BSE Code: 523200) and the National Stock Exchange of India, Mumbai (NSE Code: CLASSIC EQ)

4. BUSINESS PROSPECTS:

The year could not see a good revival of business from the US sector, with its Unemployment rates still worsening every quarter especially during the last quarter of calendar 2009 where it had crossed the double digit mark. Further to add fuel to the fire the Bullion prices have sky rocketed to over USD 1220 in Dec 09 as against USD 900 levels as of the beginning of the year. Hence, affecting the demand of Jewellery from this sector. This has led your company to pierce through other lucrative markets such as the Europe, Middle East and Far East.

Your company is now geared up for the production of the larger type of diamonds, which would yield higher margins and a larger array of products for the customers to suit their requirements. The only constraint of this section of the business is that it involves huge amounts on rough procurement. Once the financial position of your company is eased out, this section could add better value to the overall business.

In order to optimize the cost of operations your company intends to shift its operations from the Opera House area of Mumbai to Bandra – The Diamond Bourse within the next year.

We also plan to start up a factory in the SurSEZ situated at Sachin, near Surat. This factory would be in a position to produce Diamonds as well as jewellery for the newer markets.

5. FINANCE:

The company has been successful in materializing its Debtors at a faster pace and also laid out policies of trying to gain better credit terms from its creditors leading to a position which could end up in repaying the bank finance to the extent of over Rs.38 Crores in Rupee terms. All this has improved the Credit rating of your company which had deteriorated in the earlier year due to the given market conditions.

6. DIRECTORS:

The Company has 6 (Mr.Hiren H. Shah & Mr. Chandrakant M. Bhansali resigned w.e.f 22nd June, 2010) Directors of which 3 are Independent Directors. Mr. Mayank R. Mehta and Mr. Sumit B. Shah are liable to retire by rotation and being eligible have offered themselves for re- appointment.
