OPERATIONS

The performance of the Company for the year 2003-04 has shown improvements in its turnover despite the adverse effects of steep increase in cost of steel and pig iron during the year. The heavy interest burden coupled with liquidity constraints on account of late recovery of debts during the year also act as hampering factors. All the same the Company has continued to pursue up-gradation in technology and the quality of goods produced.

During the year under report, the automobile sector had shown improvement in its production and sales over the previous year. The sales of Company's products have also shown reasonable improvement both in the domestic as well as international market.

The Turnover of the company during 2003-04 was Rs. 8201.31 lakhs as compared to Rs. 7499.57 lakhs during the previous year.

During the year under report, the production of Clutch Plates/Discs was 641709 nos., Clutch Cover Assemblies 442636 nos., Clutch Repair Kits 62655 nos. and Metallic

Clutch Plates/Discs 12456 nos. respectively as compared to the previous year production of Clutch Plates/Discs 584822 nos., Clutch Cover Assemblies 411674 nos., Clutch Repair Kits 57150 nos. and Metallic Clutch Plates / Discs 9313 nos. respectively.

DOMESTIC

On domestic front the Company's turnover was of the value of Rs. 66.55 crores against Rs. 61.07 crores in the previous year.

EXPORTS

There is great potential in the export market both in USA and other countries like Iran, UAE, UK, Bosnia and Pakistan. The potential is 2-3 times of the current level of exports. The American market has great potential for Clutches for Heavy Duty Vehicles. Exports in American markets are expected to increase from Rs. 8 crores last year to Rs. 20 crores in the current year. In Iran the Company has found potential OEM purchasers with main thrust to export Clutches for Mercedes Benz, Massey Ferguson and Passenger Car Clutches such as Paykan, Peugeot, Kia Pride etc. UAE market has potential for annual export worth Rs. 4 crores. The Company is confident to explore USA market as OE supplier also. The demand projections from UK, Bosnia and Pakistan is substantial and the Company is exploring feasibility to augment exports to these countries. Export outlook for the year 2004-05 is bright.

RESEARCH & DEVELOPMENT (R&D)

During the year, your R&D facility with capability of Testing under Multi Environment Over Stressed Testing (MEOST) have been assessed by major OEMs and approved the facility. The future development Clutches will not be tested by the OEMs and will rely upon our test results. This is a big step towards recognition of our capability. To strengthen our R&D we are in process of establishing NVH facility which is one of the exclusive facility in India. We had provided NVH solution to few of our valued customers. Our valued engineered design (VE) clutches with cost benefit has been introduced by our prestigious manufacturers like Maruti and Bajaj Auto Ltd.

DIRECTORS

During the year Shri Anuj Mehta has been re-appointed Executive Director (Commercial) for a further term of 5 years w.e.f. 18th January, 2004 in the Board meeting held on 20th March, 2004. He is an MBA from Vanderbilt University, USA and associated with the Company for more than a decade and contributed a lot in the fields of marketing and finance. An application for approval of his re-appointment is under consideration of the competent authority – Department of Company Affairs.

Mrs. Veena Mehta, Director of the Company having expressed her desire to quit this Board on grounds of prolonged ill-health, the Board reluctantly agreed to accept her resignation after placing their deep appreciation of the invaluable services rendered during her incumbency and wished her God speed in her full recovery.

COST CONTROL MEASURES

The Company continued to put in sustained efforts to keep the cost of production under control. Various steps were taken to control variable and fixed costs. Steps are being taken to swap the high interest bearing loans into soft loans to reduce the interest burden. Efforts are also being put to improve the productivity to control cost of production and remain competitive in the market.

CORPORATE GOVERNANCE

Your Company has always strived to incorporate appropriate standards for good Corporate Governance. The Company has taken adequate steps to ensure compliance of all mandatory provisions of Corporate Governance as prescribed under the amended Listing Agreements of the Stock Exchanges, with which your Company is listed.

A separate report on Corporate Governance is included in the Annual Report.

PERSONNEL

Industrial relations between Management, Labour and Staff continued to be cordial and harmonious during the year under report. The Board wishes to place on record its deep appreciation of the excellent work done and co-operation extended by the employees of your Company at all levels in accomplishing the Company's assigned tasks and the goals.

None of the employees of the Company come under the amended provisions of Section 217(2A) of the Companies Act, 1956, read with the Companies (Particulars of Employees) Rules 1975.

COST ACCOUNTING RECORDS

AUDITORS

M/s V. Sankar Aiyar & Co., Chartered Accountants & Statutory Auditors of the Company retire at the conclusion of forthcoming Annual General Meeting of the Company and being eligible, offer themselves for re-appointment. The Board recommends their re-appointment for a further tenure on such terms and conditions including emoluments which the Board, as usual, may fix for the assignment.

AUDITORS OBSERVATION

With reference to Auditors' Report the management submits its clarification as under:

The observations are explained in the note referred in to the Report. Besides, it is submitted that due to severe liquidity constraints, the Company could not clear off the outstandings in respect of Provident Fund and Sales Tax dues upto 31st March, 2004 within the prescribed time. However, outstanding provident fund dues have since been cleared. As regards Sales Tax dues, the same is expected to be cleared by 31st March, 2005.

The Company has been trying to settle the dues of Financial Institutions as agreed under One Time Settlement package. The delays were beyond control. It is expected that these dues would be paid shortly well before closing of the current financial year 2004-05.

DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to Section 217(2AA) of the Companies Act, 1956, the Directors of your Company, to the best of their knowledge and belief confirm that:

- i) in the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation in relation to the material departures;
- ii) appropriate accounting policies have been selected and applied consistently, and Directors have made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2004 and the profit / loss of the Company for the year ended 31st March, 2004;
- iii) proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities;
- iv) the annual accounts had been prepared on a "going concern" basis.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS / OUTGO

Information in regard to these matters in terms of provisions of Section 217 (1) (e) of the Companies Act, 1956, read with the Companies (Disclosure of Particulars in the report of the Board of Directors) Rules 1988 is annexed and forms part of this Report.

Management Discussion & Analysis Report

(a) Industry structure and Development.

Automobile Industry as a whole has shown upward trend over the previous year both in terms of production and sales. Auto-Ancillary Industry too has now started picking up which should also improve its performance in the coming years both in the domestic and export markets.

(b) Opportunities and threats.

Clutch Auto Ltd. is keeping abreast of its competitors in the manufacture of NVH and Ceramic Clutches and has improved its performance both in the internal and external markets.

(c) Segmentwise or productwise performance.

The Company's primary business is manufacturing of Clutch Plate and Clutch Assembly and it has only one segment of business.

(d) Outlook.

Outlook for Automobile Industry being quite bright, the Company as a leading ancillary and component producer is expected to do very well in the coming years.

(e) Risks and concerns.

Since over the next 5-11 years the present product range developed by the Auto & Auto Ancillary Industries would continue to be prevalent, not much risk is foreseen in the near future. We are confident that an indigenously developed industry like ours which is always striving at technological improvements and innovations can take any competition including from MNC's in its stride with confidence and success.

(f) Internal Control Systems and their adequacy.

Both production and accounting systems are commensurate with the current level of operations.

(g) Discussion on financial performance with respect to operational performance.

The Company has been able to improve its turnover during the current year over the previous year. With the up-gradation of technology and various improvements effected in the marketing of its products, the performance of the Company both in terms of production and financial results is expected to improve over the coming years.

(h) Material developments in Human Resources/ Industrial Relations front, including no. of people employed.

Industrial relations have been cordial and there were no Industrial disputes during the year 2003-04. The Company had on its rolls 678 employees inclusive of its managerial cadre as at 31st March, 2004.

ACKNOWLEDGEMENT

Your Directors would like to thank the Financial Institutions, Banks, Central & State Governments, our dear Shareholders for all their help, assistance and cooperation extended to the Company from time to time during the year under report. They also wish to convey their deep appreciation to all its employees for their enormous personal efforts as well as their collective contribution, which enabled the Company meet squarely the challenges set before it.
