Business Performance and Operations

During the year under report, that Company has reported a net income of Rs.3,059.85 Lacs which is significantly lower than the Sales achieved during the financial year 2012-13. This is due to lack of working capital, partial shifting of Plant & Machinery from Faridabad and non-availability of skilled labour at Bhiwadi, Rajasthan. Due to this, you company has suffered net loss of Rs. 13,296.99 Lacs resulting in complete erosion of its net worth.

Restructuring of the Working Capital Facilities/Term Loans

During the period under report, accounts of the Company were restructured by the Banks to augment the working capital needs of the Company and to facilitate transfer of the Plant & Machinery from Faridabad to Bhiwadi.

The restructuring of bank accounts were done by Lead Bank, The State Bank of Travancore and 2nd Lead Bank, State Bank of India. Apart from these two banks, only Canara Bank supported the restructuring process and other banks namely DBS, Central Bank of India and Export Import Bank of India did not participate in this process. This led to non-sharing of stipulated sanctioned amount of working capital. The sharing banks didn't take the exposure left by these non-participating banks. Unfortunately, sharing banks didn't disburse the full sanctioned amount of working capital leading to defaults in the accounts and on other fronts. This unfortunate development took place despite the fact of compliance of all the terms & conditions stipulated by the banks for the Promoters as well as the Company.

Company has made all efforts to bring the Company on rail and keep Company's operations smooth but due to paucity of funds, Company has not been able to achieve the objective. In view of

the circumstances stated above, your directors have decided to inform the Board for Industrial & Financial Reconstruction (BIFR) of its present financial situation and seek revival as the net worth of the company has eroded.

MANAGEMENT DISCUSSION AND ANALYSIS

The Management's Discussion and Analysis of operation for the year under review, as stipulated under clause 49 of the listing agreement with the Stock Exchanges, is provided in annexure attached to this report.

FIXED DEPOSITS

The Company has not accepted any Public Deposits within the meaning of Section 58A of the Companies Act, 1956, as such no amount of Principal and interest on fixed deposits was outstanding on the date of Balance Sheet.

DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to Section 217(2AA) of the Companies Act 1956, the Directors to the best of their knowledge & belief confirm that:

- In the preparation of the annual accounts, the applicable accounting standards have been followed;

- Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 1956 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- The annual accounts have been prepared on a going concern basis.

PERSONNEL

The information required under the provisions of Section 217(2A) of the Companies Act, 1956, read with the Companies (Particulars of Employees) Rules, 1975 is not applicable for the Financial year 2013-14.

ENERGY CONSERVATION, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNING / OUTGO

Information on conservation of energy, technology absorption, foreign exchange earnings and outgo required to be given pursuant to Section 217(1)(e) of the Companies Act, 1956 read with the Companies (Disclosure of Particulars in the Report of the Board of Directors) Rules, 1988 is annexed hereto and forms part of this report.

AUDITORS

M/s. S C Garg & Associates, Chartered Accountants, New Delhi, the Statutory Auditors of the Company will retire at the close of this Annual General Meeting and has given consent for their re-appointment as Statutory Auditors of the Company.

Your Directors recommend their reappointment, subject to approval of the Shareholders of the Company for a further term at such remuneration as may mutually be agreed between the Board and the Statutory Auditors.

Observation of the Auditors

During the year under report, due to liquidity crunch, the plant at Bhiwadi could not run at its full capacity. Plants & Machineries are also lying idle at Faridabad, so the Company has provided pro-rata depreciation of Rs.3,64,93,543 instead of Rs.18,08,83,328 as calculated under Schedule XIV of the Companies Act 1956.

The Company has been showing debts outstanding against original Equipment Markets segment. These outstanding debts are on account of non-settlement of Warranty Claims forwarded by the Customers of earlier years since incorporation of the Company. During the year, the Company has provided for Rs.55,00,01,072 on account of Doubtful Debts in the Balance Sheet so far and Balance warranty claims yet to be determined & be provided for.

These outstanding are doubtful to be recovered pertaining to the current situation of the Company as the Company is almost out of Original Equipment Market segment. This has led to unprecedented losses for the Company.

The settlement with the workers took place on 8th July 2013 pursuant to which terms & conditions for compensation for the Workers were decided. However, due to non-compliance of the terms & conditions stipulated in the agreement and interpretation of various clauses of the agreement are yet to be finalized. This has led to non-provision / payment of liabilities to the extent of Rs.6,05,20,299. As the matter is sub-judice, suitable provisions will be made after the matter is settled by the Court.

Due to Workers' non-cooperation at the Faridabad Plant and acquisition of some portion of land at Faridabad by Delhi Metro

Rail Corporation, it was difficult for the management to keep complete vigil of records lying at Faridabad and to save it from pilferage. However, consistent efforts have been made by the management to take care of all the assets including records at Faridabad and to make it available to the Auditors.

Interest on LIC Mutual Fund had not been provided in earlier years because Company has taken stand that interest will be provided as & when it will be paid.

Due to losses & liquidity crunch, Company has not been regular in meeting its obligation towards financial institutions/banks and other statutory authorities but the Company is committed to clear the dues once it starts making profit.

Secretarial Audit

Pursuant to the provisions of Section 204 of the Companies Act, 2013, your Board has appointed M/s D K Dubey & Associates, PCS to conduct Secretarial Audit.

Acknowledgment

Your Board of Directors wishes to express its gratitude and record its sincere appreciation for the commitment and dedicated efforts put in by the employees.

They also take this opportunity to thanks the Banks, Customers, Suppliers and business associates. The directors are thankful to the esteemed shareholders for their continued support and the confidence reposed in the Company and its management.
