The Company has placed Inter Corporate Deposits amounting to Rs.115 lakhs during the year with M/s. Kherapati Vanijya Limited carrying interest at 11% per annum. During the year Rs.40 lakhs has been withdrawn with the net balance of deposit of Rs.75 lakhs as at 31st March 2005. The Company had to meet certain statutory liabilities contingent upon the outcome of the Appeal and fresh assessment and demand. It was considered necessary to earmark funds for this purpose and such funds were placed with M/s. The Deposits were placed on the condition that they could be called back on a weeks notice.

M/s. Kherapati Vanijya Limited is not within the scope of Section 295 (1) (d) or Section 295 (1) (e) of the Companies Act 1956.

In terms of Section 372 A of the Companies Act 1956, prior approval of the General Body is required for any inter corporate deposit exceeding 60% of the paid up share capital and free reserves, which in this case was not obtained and the same has been qualified by the Auditor.

In the circumstances, the necessary resolution is proposed for your approval. The transaction is in the interest of the Company since the funds earn interest while being available to the Company on a week's notice to meet its liabilities.

In view of the accumulated losses for the year ended as on 31st March 2005 your directors regret their inability to recommend any dividend for the year under review.

3. Review of the Operations

During the year under review, profit from Rubber divisions is marginally lower because of lower crop attributed to industry wide strike coupled with hefty wage increase. All other divisions continued to be non-operational during the year. The overall result of the Company remain negative as the profit from Rubber Division is not adequate enough to neutralize the losses of the other divisions.

Plantations

Rubber

Chemoni & Pudukad Estates are operating normally. Kinalur Estate continues to be mired in legal problems and the buyer continues to have access and control of the estate for income and expenditure purpose only. The Board is seeking legal opinion on the how to tackle the problem. Replantings in the rubber estates are being done in a phased manner

Tea Estate Division

Pullikanam Estate continued non-operational due to unviability. The Management is examining whether the Estate could be opened. If however, economic operations are not feasible, the company would have to hive off the same.

Sampaji Estate has been auctioned by the DRT and the sale proceeds credited to the secured creditors account. The Company has however preferred appeal and the matter is sub-judice. However, as the possession is now with the buyer, the Directors as a matter of prudence written off the book value of the asset and reduced the account of the secured creditor by the auction sale amount.
