DIRECTORS' REPORT

The Members
Continental Construction Limited
New Delhi.

Dear Members,

Your Directors take pleasure in presenting to you the 34th Annual Report of your Company together with the audited Statements of Accounts for the year ended 31st March, 1997.

Your Directors have pleasure to report that despite the continued cash crunch faced by the Company because of the hold-up of its large dues with the various Clients in India, Iraq and Libya, the Management has been able to carry on the business of the Company satisfactorily. The operational results of the Company during the year under review, as briefly summarized below, have been satisfactory :-

	Rupees in Millions
1. Gross Income	478.85
Add: Increase in the Work-in-Progress	19.79
	<u>498.64</u>
2. Less: Total expenditure (before provision for Depreciation)	452.33
3. Net Profit before provision for Depreciation and Tax	46.31
Less: Depreciation	24.89
4. Net Profit before provision for tax	21.42
Less: Provision for Taxation	2.80
5. Profit after provision for taxation	18.62
Add: Balance brought forward from previous year	60.40
6. Surplus carried over to next year's Accounts	<u>79.02</u>

There is no change in the status of realization of the Company's large outstanding dues from Iraq and Libya except that the United Nations Compensation Commission (UNCC) have taken up for scrutiny the Company's Claim for recovery of its outstanding dues from Iraq. The Company has prepared its replies to the long questionnaire received from the UNCC with the help of their Counsels from USA for submission to the UNCC before the due date of 3rd September, 1997. The hold-up in the large receivable continues to affect the cash liquidity of the Company.

The continuing funds constraints faced by the Company and in order to conserve the resources, your Directors are compelled not to recommend the payment of Dividend for this year to the Shareholders. The Members will, no doubt, appreciate the compelling circumstances under which your Directors have to take such an unpleasant decision.

The Management is continuing with its efforts for the realization of its outstanding dues and the UNCC taking up the Company's Claim for scrutiny have raised hopes of tiding over the present financial crunch within a year's time.

The Company's Claim U/s 80-O of the Income Tax Act, 1961, for the Assessment Year 1983-84 is still sub-judice. Writ Petition under Article 32 of the Constitution of India filed by the Company and a Special Leave Petition against the Judgement of the Delhi High Court inter-alia challenging the validity of Section 80-HHB(5) of the Income Tax

34TH ANNUAL REPORT 1996-97

Act, 1961 have been admitted by the Hon'ble Supreme Court. The matter has, however, not yet come for final hearing.

Your Directors take pleasure in informing you that the Works at Narmada Main Canal Project have finally been taken over by the Clients, after completion of the maintenance period.

The works at Indira Sarovar Project have also been completed to the entire satisfaction of the Clients and handed over to them.

The Works at Mahi Aqueduct Project, Kodasalli Project and Naval Drydock Project at Bombay, are progressing satisfactorily. The Work at Maneri Bhali continues to remain suspended because of non-provision of funds by the Government of U.P. The offers received by the Government of U.P. for privatization of this Project have not yet been finalised and consequently our long outstanding dues continue to remain un-settled.

The stalemate in respect of the road Contracts for Haryana Highway Project (HHP) and Ahmedabad-Vadodara Expressway Project (AVEW) is still continuing. The Hon'ble High Court of Punjab & Haryana have granted the absolute stay against the invocation of the Bank Guarantees and operation of Clients' Notice under Clause 63 of the Contract till the decision of the Arbitral Board, to whom the matter has been referred for Arbitration, with the mutual consent of the parties concerned. There is no change in the status of the AVEW Unit and the stalemate continues as before.

Your Directors also take pleasure in informing you that the works at Nathpa Jhakri Hydroelectric Project in Himachal Pradesh undertaken by the Company in Joint Venture with The Foundation Company of Canada Ltd., are progressing satisfactorily.

The Libyan Road Work could not commence till now as the Clients have not paid the Mobilisation Advance in terms of the Contract. The Company is taking steps to withdraw from the Contract.

The Working Results of the Subsidiary Companies for the year under review have been dealt with in their respective Reports annexed hereto except that of Punjab Ceramics Ltd., which has since gone into liquidation as per the decision of the BIFR.

The details of earnings and expenditure in Foreign Currency are given in Note Nos.20(a) and (b) of the Schedule "L" to the Statement of Accounts.

There is no specific information to report in respect of the disclosures of particulars of conservation of energy and technology absorption as the Company is not covered by the Rules prescribed in this behalf.

Your Directors take pleasure in expressing their sincere gratitude and thanks to the Clients, the Central and the State Governments, Semi Government Organizations, the Financial Institutions and the Company's Bankers and all other Agencies and Business Associates for their continued cooperation, guidance and support extended to the Company.

Your Directors are also pleased to place on record their appreciation for rendering sincere and dedicated professional services by all officers and workers of the Company in carrying out the business in these difficult circumstances.

Shri V K Verma and Shri M K Verma, Directors of the Company, retire by rotation, and being eligible, offer themselves for re-appointment. Your Directors are pleased to recommend their re-appointment.

M/s V Sankar Aiyar & Co., Chartered Accountants, New Delhi, the retiring Auditors, being eligible, offer themselves for re-appointment and it is proposed to re-appoint them.

Particulars of the employees under section 217(2A) of the Companies Act, 1956, are given in the Annexure forming part of this Report.
