## Our Company

Control Print began operations in 1991 with a dream of bringing Indian Packaging at par with international benchmarks in terms of Coding & Marking. Today, no other company offers more alternatives to code packages and products. We have been bringing the world's best technologies in Coding & Marking in India long before globalization became a fashion.

Our solutions include the simplest Contact Coders, superior Hot Melt Ink Coders, specialized Metal Marking systems, sophisticated Inkjet Coders, Thermal Transfer Overprinters, Print & Apply systems, and Laser Coders along with the necessary consumables, spares, training and unparalleled pre & post sales service support.

With our best in class products, years of experience across a spectrum of industries & application, unparalleled sales & service support, and focus on customer satisfaction we are the preferred partner of choice for hundreds of Indian companies, from the largest multinationals to the smaller, niche local manufacturers.

## Our Objectives

Control Print was listed on the Bombay Stock Exchange in 1993. Over the years we have demonstrated considerable progress in the areas of operational excellence, operating profits, infrastructure and net worth. We aim to continue this growth over the coming years and exceed the expectations of all our stakeholders-returns for our investors, unsurpassed satisfaction for our customers and the right working environment and opportunities for personal and professional growth for our employees.

## Looking Ahead

Control Print is at the right place at the right time. With continuous advancements in packaging technology and automation and a commitment from our customers to provide world class products with world class packaging to the end consumer, the Indian Coding & Marking market is poised for continued growth over the coming years. We will continue to invest and innovate in the coming years in order to maintain our position as the undisputed Indian Coding & Marking leader.

Besides the Coding & Marking market our Company is also focusing on developing digital printing systems for various markets & applications including packaging applications, speciality industrial applications, textile printing and security printing. We are in the process of setting up a manufacturing plant at Nalagarh, Himachal Pradesh for the manufacture of our full Contact Coder range and related consumables and later for advanced digital printing systems.
