The shares of the Company are listed on Ahmedabad, Kolkata, Delhi and Mumbai Stock Exchange. YEAR IN RETROSPECT :

As reported in last Annual Report the company is in grave financial crisis. The crisis has further deepened due to absolute non-cooperation of our bank and other financial institutions. The Company in spite of having orders to the tune of 20 Crores is unable to fulfill them as it does not have the funds to procure raw materials for the purpose of production. Further the company's domestic as well as export turnover has gone down during the year under review.

The Company in order to implement certain restructuring measures were forced to extend the previous Financial Year by Six Months for which approval was taken from Registrar of Companies and hence the Annual Report and the Audited Accounts of the company were presented for 18 Month Ended 30th September, 2003. The AGM of that period was held on 31st March 2004 for which approval was taken from Registrar of Companies.

The 51st Annual General Meeting of the Company was adjourned Sine die by the Chairman after adoption of the Audited Balance Sheet of the Company as at 30th September, 2004 and the Profit & Loss Account for the year ended on that date and the Report of Board of Directors and Auditors thereon.

In order to revert back to the earlier accounting period of April to March, the Company has presented its Annual Report and the Audited Accounts of the Company for the Six Month Ended 31st March, 2004.

Although the Company has developed new parties and products over the years, lack of adequate Cash Reserves due to continued losses and denial of further Cash Assistance by Banks and Financial Institutions hampered the Company's prospect of posting a higher turnover and consequent improvement of its profitability. Cost control measures continued unabated as can be reflected in the enclosed financial statements, but were of little help in the light of the Company's falling turnover.

FUTURE OUTLOOK :

The Company has been incurring losses continuously for the last five years and the financial position of the company is going from bad to worse. The Company has received takeover notice u/s 29 of State Financial Corporation Act from SICOM Ltd and recall notice from State Bank of India as the Company could not pay their dues on time. Further the Company is finding it difficult to service the high rate of the interest being charged by SICOM and State Bank of India. In view of the above it has been decided to sell off the Nagpur unit along with goodwill as a going concern and appropriate the proceeds so received to pay off the dues of SICOM and State Bank of India. It has also been decided to sell the surplus land at Howrah to augment to working capital requirement of the Company. The Board is satisfied that it would be in the interest of the Company and its shareholders to sell the said undertakings as mentioned above and has proceeded accordingly by passing an ordinary resolution through Postal Ballot, for approval of the shareholders, the results of which were declared in the Extra-Ordinary General Meeting held on 15th December, 2003. The Company could not proceed with the above mentioned sale as the matter is pending before the Honorable High Court in Kolkata. The Company is all geared to take on recession, has Orders in hand worth Rs.20 Crores approximately and stands a good chance to turn around, but needs a life line in the form of additional finance from banks and institutions. The Company has taken up the matter with the authorities concerned and is confident of posting a better performance provided adequate finance are made available on a urgent basis.

REPORT U/S 23(A) OF SICK INDUSTRIAL COMPANIES (SPECIAL PROVISIONS) ACT 1985. (SICA)

Though the Company is not a Sick Industrial Company within the meaning of Clause (o) of Sub Section (1) of Section 3 of the SICA, but it has become potentially sick as per section 23(a) of SICA and hence the members are being informed that the Company has applied to the Board for Industrial and Financial Reconstruction in Form 'C' as per the Provision of section 23(l)(i) of the Sick Industrial Companies (Special Provision) Act, 1985 and also as per the Provision of Rule 36(l)(i) of the Board for Industrial and Financial Reconstruction Regulation, 1987, on 27.05.2004.
