## Explanatory Statement under Section 173(2) of the Companies Act, 1956

### Item No. 5

At the Tenth Annual General Meeting of the Company held on 23 September 1998, the shareholders had approved of the terms and conditions of the appointment and remuneration of Mr V R Kaundinya, Managing Director of the Company. Schedule XIII to the Companies Act, 1956 ("the Act") provides that, where, in any financial year a company has no profits, or its profits are inadequate, it may pay remuneration to a managerial person by way of salary, perquisites and other allowances not exceeding Rs. 87,500/- per month where the effective capital of the Company is Rs.15 crores or more upto 1 March 2000, and, effective 2 March 2000, a sum not exceeding Rs. 1.50 lakhs per month where the effective capital is Rs. 25 crores or more.

The working of the Company for the year ended 31 March 2000 has resulted in inadequate profits in terms of Sections 198 and 309 of the Act read with Schedule XIII to the Act, for reasons beyond the control of the management. Any sums paid in excess of the limit become refundable to the Company under Section 309(5A) of the Act, unless the Company waives recovery of the excess amount paid and such waiver is approved by the Central Government under Section 309(5B) of the Act.

The Directors have proposed that the recovery of the excess remuneration of Rs.2.29 lakhs paid to the Managing Director be not recovered from him and subject to the approval of the shareholders and Central Government, such recovery be waived. The approval of the shareholders is being sought to the waiver by the Company of the recovery of the aforesaid amount being remuneration in excess of statutory limit laid down under the Act. An application will be made by the Company to the Central Government for its permission to the waiver of recovery of the said amount from the Managing Director.

The Directors recommend the resolution at Item No.5 of the Notice for acceptance by the members. Mr V R Kaundinya is concerned or interested in the aforesaid resolution.

### Dematerialisation of Shares

The Company has signed an Agreement with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) to facilitate shareholders/investors to hold the shares of the Company in demat/electronic form. The International Securities Identification Number allotted to the Company's shares is **INE 142B01010**. Shareholders will now have an option of dealing in the Company's shares in the electronic form by dematerialising their shares.

**Kindly note that Securities Exchange Board of India (SEBI) has stipulated compulsory settlement in demat form by all shareholders effective 28 August 2000.**

Shareholders are therefore requested to avail of this facility as dealing in securities in electronic form eliminates problems associated with handling of physical (paper) certificates such as loss, theft, mutilation, bad deliveries, forgeries, fake certificates, delays in transfer and registration, distribution of rights/bonus shares, etc. Apart from overcoming the above the problems, the following are the other benefits to the shareholders/investors by dealings in shares in dematerialised form:

1. Saving in postal charges and avoiding delays in postal delivery.
2. Stamp duty is not payable on transfer of shares in electronic form.
3. Brokerage rates for transactions in electronic form are lower.
4. Interest rates on loans availed against dematerialised shares are lower.
5. Faster settlement, i.e. quicker credit for shares purchased and payment for shares sold.

### Operational Review

Sales for the financial year ended 31 March 2000 amounted to Rs. 97.40 crores as against Rs.107.79 crores for the year ended 31 March 1999. There is a significant drop of Rs. 27.60 crores in domestic sales in the year under review which is partly offset by increase in export sales of Rs. 17.21 crores. The major cause for the unprecedented drop in domestic sales was unfavourable weather conditions in Central parts of India which resulted in lower usage of herbicides (STOMP) on soyabean crop and severe drought in the Saurashtra region of Gujarat which largely affected the consumption of herbicide (STOMP) on groundnuts.

The pesticide industry continues to face price pressure in the market particularly for commodity pesticides. In addition, some of the Company's products faced significant competition from generic manufacturers resulting in lower price realisations as compared to the previous year.

For the year under review, the loss, after voluntary retirement compensation of Rs. 1.20 crores and taking into account exceptional gain of Rs. 0.94 crores, amounted to Rs.6.24 crores as compared to a profit of Rs. 6.63 crores for the year ended 31 March 1999.

In view of the loss incurred by the Company for the year under review, your Directors are unable to recommend any dividend.

### Future Outlook

Your Company has launched a new generation post-emergence herbicide "PURSUIT 10 SL" which is formulated at its newly commissioned state-of-the-art insecticide formulation facility at Demni Village, Dadra, U.T. of Dadra & Nagar Haveli. The Company has also received registration for "FENDONA 5% WP" (a residual mosquito adulticide) for control of Malaria Vectors which will be launched during the current year.

Sales during the first 3 months of the current year are encouraging. Monsoon, though delayed, is progressing well which should reflect in a good performance in the current year.

### **Amalgamation**

The Scheme of Amalgamation between ACCO Industries Limited and the Company approved by the shareholders at their meeting held on 4 January 2000 was sanctioned by the Hon'ble High Court of Bombay on 13 March 2000. The amalgamation will enable the Company to carry out the combined business more economically and advantageously due to synergy in operations. The Scheme has become effective from 1 June 2000. As the Appointed Date under the Scheme has been fixed as 1 September 1999 the Audited Accounts and the Balance Sheet accompanying this Report reflect the financial results of the Company after consolidation of the accounts of both the companies for the year ended 31 March 2000.

### **Capital**

90 (Ninety), 10% Redeemable Preference Shares of Rs.100/- each issued by the Company were redeemed on 29 September 1999.

The Authorised Share Capital of the Company was increased from Rs.6 crores to Rs.12 crores in terms of the resolution passed at the Extraordinary General Meeting of the Company held on 22 December 1999.

In order to satisfy the obligations under the Scheme of Amalgamation, the Board of Directors at their meeting held on 31 May 2000 have issued and allotted 48,39,670 equity shares of Rs.10/- each fully paid up to the shareholders of ACCO Industries Limited in the ratio of one equity share of the Company for every 4.25 equity shares of Rs.10/- each fully paid up held by them in ACCO Industries Limited.

In view of the above, the issued, subscribed and paid up equity share capital of the Company as on date is increased to Rs.10.09 crores comprising 1,00,89,870 equity shares of Rs.10/- each fully paid up.

### **Sale of Valsad Plant**
