ITEM NO. 6,7 & 8

As you are aware that the Company was forced to delay repayments due to reasons beyond its control. The position of repayment got further worsened due to slow process of recovery despite best managerial efforts and the Company *not allowed to do any business. For last more than two years the only activity being carried on by the Company is collection of dues and repayment of creditors apart from meeting necessary overheads including legal expenses for defending the Company rights and interests and for recovery of monies lent. As a result the Company got a negative network. The only hope left for the Company is to generate fresh revenues through such sources which are not only low cost but also have good earning potential.*

It is with this endeavor that the Company has identified Information Technology field as the future growth area. The IT field appears to be growth area for the next generation and is ideally suited for the circumstances of your Company. The Board of Directors of your Company with your permission, plans to start activities in this field. Infact, groundwork in this direction has already been commenced.

ITEM NO 6

The Company proposes to venture into the field relating to Information Technology. Clause 12 of the Main Objects of the Object Clause of the Memorandum of Association of the Company provides that the Company can take up the business relating to IT as its main objects. Clause 12 has been reproduced in the resolution for the convenience of the Share holders.

In terms of Section 149 (2A) of the Companies Act, 1956, a Company formed after the commencement of the Companies (Amendment) Act 1956 cannot at any time commence any business in relation to any of the objects stated in its Memorandum of Association of the Company under "other objects" unless the Company has approved the commencement of any such business by a special resolution in General Meeting.

Although under the main object clause of the Memorandum of Association, your Company can commence IT related business. However since the IT related field is entirely new to the existing business operations of the Company, your Directors deemed it expedient to seek your express consent for adoption of new business.

In accordance with prudent practice, approval of the shareholders is being sought for taking up IT related activities as main object of the Company

NONE OF THE DIRECTORS IS IN ANY WAY CONCERNED OR INTERESTED IN THE RESOLUTION

ITEM NO. 7

As detailed in the preceeding as well as succeeding paragraphs, the Company is venturing into the field of IT related activities.

The present name of the Company is however not reflective of the proposed business activities. In order to be so, it is proposed that the existing name of the Company be changed by inserting the word 'and' between the words 'Financial' and 'Services'. The new name would not only be more reflective of the business operations but would also have wider application.

In case proposed change is approved, the Company shall make necessary applications to the Central Government, subject to availability of the new name, and also to the Reserve Bank of India, if required, for allowing such change.

In terms of provisions contained in Section 21 of the Companies Act, 1956, any change in the name of the Company require consent of the Share holders by way of a special resolution.

NONE OF THE DIRECTORS IS IN ANY WAY CONCERNED OR INTERESTED IN THE RESOLUTION

ITEM NO. 8

The present Authorised Capital of the Company is divided equally into Preference and Equity i.e. Rs. 30 Crore each. The paid up capital consists of equity shares only. The preference share capital has neither been issued nor is proposed to be issued in the near future. In the restructuring plan also, only equity shares are proposed to be issued.

Thus it is deemed expedient that existing capital clause of the Memorandum of Association be deleted and be substituted by new clause, text of which is in the proposed resolution. The proposed capital clause provides for equity shares only. If approved, Authorised capital of the Company need not be increased to accommodate issue of fresh shares, proposed in the subsequent resolutions.

In terms of provisions contained in section 16 of the Companies Act, 1956 such change in the capital clause of the Memorandum of Association of the Company requires prior approval from the Share holders.

NONE OF THE DIRECTORS IS IN ANY WAY CONCERNED OR INTERESTED IN THE RESOLUTION

ITEM NO. 9,10,11 & 12

The Company has been undergoing serious financial constraints over the last two to three years.

The Company proposes to file a scheme of arrangement under Section 391 and 394 of the Companies Act, 1956 for making a proposal of compromise to its secured and unsecured creditors where under it is to offer a debt share exchange as recommended by Ernst & Young.

NOTICE

The resolutions for allotment are to be implemented only after the scheme of arrangement is approved at the creditors meeting.

The Company has proposed these resolutions so that they can be implemented even when the Scheme is pending sanction and confirmation in the High Court.

The Company is intending this, since it desires to enter into a composition with its creditors and offer shares, especially when it is engaged in non fund based activity whilst commencing activity for information technology training.

The issue of share capital to the secured and unsecured creditors is not truly in the nature of preferential allotments but are enabling resolutions, to permit issue of capital otherwise than on rights basis for debt equity exchange or quasi equity debt exchange to reduce outstandings to the creditors.

The Company proposes that authorized capital be held at a base line of Rs. 60 cores up to a period of 1 year.

ITEM NO. 9

The present scheme envisages that DCM International Ltd., one of the three Promoters will fund and make a placement of equity in one or more tranches, to the maximum extent of Rs.16 Crores, pursuant to the commitment given to the Company Law Board after the first set of resolutions of the creditors (both secured and unsecured) meetings have approved the draft Scheme of Arrangement whether with or without modification.

The Company's management is making all attempts at reviving the Company and facilitating the Company to make payment to creditors and to increase the funds available to the Company, for engaging in new activities viz. information technology. The investment by the promoter namely DCM International Ltd. is conditional upon the support to the Scheme by the secured and unsecured creditors to the extent required. If the Scheme of Arrangement, which is expected to be contemporaneously moved in the High Court of Delhi, is rejected, or is not permitted to be made by the High Court of Delhi, then this resolution shall not be implemented. At present the Board of Directors have not received final opinions and advice from Ernst & Young in relation to the scheme to be proposed and hence the Company is not in a position to advise the shareholders in this connection.

DCM International Ltd. has deliberately proposed to the Company to subscribe to the shares of the Company at a premium, which is much higher than the premium calculated in accordance with SEBI formula, to support the Company and to demonstrate its faith in the scheme of revival and restructuring of the Company and its future potential for earnings. Issue price as on date - computed in accordance with the SEBI formula would be Rs. 16.74.

In compliance with the SEBI (Substantial Acquisition of Shares

and Takeovers) Regulations, 1997, the following information is being provided:-

The revised shareholding pattern after the issue and allotment of shares to the promoter namely DCM International Ltd., will be as under (assuming no debt exchange of shares takes place prior to allotment of shares to DCM International Ltd.): -

Name of Allottees	Shareholding before preferential issue		Shareholding after preferential issue	
	Nos.	%	Nos.	%
