ITEM NUMBER 5

A resolution under Section 293(1) (a) and other applicable provisions, if any, of the Companies Act, 1956, was approved by the Shareholders of the Company in its Annual General Meeting held on 23rd November 1994 to mortgage and / or create charge on whole or part of the land at Bara Hindu Rao/ Kishan Ganj at Delhi (Project Land) in one or more trenches for securing rupee term and other loans, debentures raised / to be raised by Purearth Infrastructure Ltd (PIL) {formerly known as DCM Estates & Infrastructure Limited (DEIL)} a company co-promoted by the Company, to the extent of Rs.150 Crores for development of Real Estate Project at the Project Land.

Pursuant to the said shareholders' resolution DCM Limited has created mortgage on land at Bara Hindu Rao / Kishan Ganj in favour of lenders of Purearth Infrastructure Limited, from time to time to the extent of Rs.138 Crores. Out of the said loan, the lenders have opted to convert major portion of their restructured loan into rights in property, but as per the understanding, mortgage on property will continue till constructed property is delivered.

Further, PIL is in discussion with Financial Institutions/Banks for raising fresh construction loan primarily for residential project namely Park Place at Kishan Ganj, Delhi.

In connection with the above additional funds requirement by PIL for development of Project, the Board of directors at its meeting held on 20th May 2009 has, subject to approval of members, resolved to enhance the said limit of Rs.150 Crores (approved in 1994) for creation of mortgage under section 293(1)(a) to Rs. 300 Crores.

OPERATIONS OVERVIEW**Textile Division**

The Textile Division of the company is located at Hisar in Haryana with a capacity of 72036 spindles. During the year under review, the production of yarn increased to 14888 MT from 12845 MT in last year with 16%(approx) growth in volume. The Division earned profit before tax of Rs. 688 lacs as against Rs. 40 lacs in the previous year. The timely stocking of cotton was the main contributor to higher profits in first half of the year as second half profits dipped considerably due to bad worldwide economic scenario. Rupee depreciation and interest rate subvention on export credit by Govt. helped to save yarn exports, even then the export volumes fell in second half of the year.

The Indian textile industry is facing a series of protectionist measures from importing countries including Turkey, Peru, Egypt and Brazil which is impacting severally on cotton yarn exports. According to WTO, the global trade this year is feared to witness the biggest contraction since the Second World War. Major markets such as US and EU continued to show depressing trends in imports of textiles and clothing.

Today, India's cotton economy is facing multiple challenges such as high cost of raw cotton on account of a sharp increase of over 40% in the Minimum Support Price (MSP) and unwarranted incentives being provided to exporters of raw cotton. As a result, investments made by the industry in technology upgradation and creation of additional manufacturing capacities in recent times are fast turning out to be non-performing assets (NPAs).

However, after the removal of quotas in January 2005, there is tremendous scope for all the major Textile & Cotton exporters of India.

IT Division

The mortgage crisis in USA, and its cascading effect on the global financial markets has during the year, precipitated into a global economic slowdown unprecedented in the last couple of decades. This economic slow down across the world, led to severe liquidity crunch, business closures, bankruptcies, layoffs, and caused wide spread panic amongst decision makers. Most IT services companies both in US and India, have been affected on account of cut backs, order cancellations and freeze on IT budgets.

The IT division had to cope with multiple premature closure of orders, increase in the order cycle and customers asking for discounts, resulting in severe pressure on margins. Order cycles have become longer because of the "wait and watch" approach in the market and more stakeholders getting involved in the decision making process.

DCM

Despite the financial crisis and severe recessionary condition in the global markets, the division was able to maintain its onsite operations and grow its India centric businesses. The Division has earned Profit Before Tax of Rs. 33 lacs as against a loss of Rs.148 lacs. Profitability of the division improved as a consequence of the business consolidation and cost saving measures initiated in the previous year and also due to the favorable foreign exchange impact. A new opening was created for long-term strategic relationship with some large IT Service providers, which is expected to result in multiple business opportunities in future.

The division has also successfully rolled out the Remote Infrastructure Management support facility from its Gurgaon center. This center is now operational and provides services to clients both in the US and India.

REDEMPTION OF DEBENTURES

During the year the company has fully Redeemed the 19.50% Non Convertible Debentures(19.5% NCDs) issued on private placement basis in accordance with the provisions contained in the Scheme of Restructuring and Arrangement (SORA) approved by the Hon'ble High Court of Delhi as may be modified. The unclaimed/un-encashed amounts with respect to 19.50% NCDs have been deposited in a separate no-lien Bank account in the name of State Bank of Patiala (SBOP), the Debenture Trustees for these Debentures in terms of Trust Deed. Any Debentureholder whose investment in 19.50% NCDs has remained unclaimed /un-encashed may lodge their claim with the Company by surrender of debenture certificates/unencashed payment warrants etc at the Registered office of the company.

Further, redemption/ repayments of 16% Partly Convertible Debentures are being made in accordance with the provisions contained in the Scheme of Restructuring and Arrangement (SORA) approved by the Hon'ble High Court of Delhi as may be modified. In pursuance to SORA the Company has already paid Rs. 36.98 Crores (approx.) to 16% Party Convertible Debenture Holders. (refer to note 3.4 of Notes to accounts in schedule 12 of Accounts annexed).

FIXED DEPOSITS

The Company Law Board (CLB) had passed an order dated September 10, 1998 rescheduling the repayments to fixed deposit holders, which now constitutes part of Scheme of Restructuring and Arrangement approved by Hon'ble High Court. The company has paid all the fixed deposit holders in terms of the provisions of the Scheme of Restructuring and Arrangements approved by the Hon'ble High Court of Delhi as may be modified, other than unclaimed deposit and legal cases. (refer to note 3.4 of Notes to accounts in schedule 12 of Accounts annexed).
