OPERATIONS OVERVIEW**Textile Division**

The Textile Division of the company is located at Hisar in Haryana. It is an ISO9001 certified unit with a cotton yarn capacity of 74436 spindles. During the year under review, the turnover of the division has increased to Rs. 271.83 Crores from Rs. 202.25 Crores last year recording a growth of 34.4% (approx). The division has performed well because of strong cotton yarn prices, operational efficiency and control of operational cost during the financial year. The restrictions imposed by the Government of India on export of cotton yarn in the last quarter of the financial year, has hampered the volume growth of the division.

Besides expanding its export market by introducing value added products the Division is also focusing to broaden the domestic customer base by developing direct customers. During the year, the division has initiated modernization projects of its plant to enhance efficiency and add further value to its products.

IT Division

The domestic operations have shown a healthy growth due to maturity of business associations and flow of recurring orders from large domestic IT players. The division is an established player in data center management business with specialization in managing different systems, storage devices and databases. This is expected to open future opportunities for the division in providing specialized data center services to the fast growing small and medium enterprises in domestic market.

However, the Operating Profit of the division was adversely affected because the US onsite business of the division has underperformed during the year on account of extraordinary employee payouts, payment against past settlements, exceptional attritions and lower fresh order booking since order of major customers is put on hold.

DEBT REPAYMENT UNDER SCHEME OF RESTRUCTURING AND ARRANGEMENT (SORA)

As per the Scheme of Restructuring & Arrangement (SORA) approved by the Hon'ble Delhi High Court vide its order dated October 29, 2003 under Section 391 – 394 of the Companies Act, 1956 and subsequent modification thereto

REDEMPTION OF DEBENTURES

During the year, pursuant to the discharge of liability of 16% Partly Convertible Debentures (PCDs), IFCI Ltd., acting as Trustee for the said PCDs has released securities created in their favour. Any investor whose investment in said PCDs remained unclaimed /un-encashed may lodge their claim with the company by surrender of Debenture Certificates/ un-encashed payment warrants at the registered office of the company.
