### **CORPORATE GOVERNANCE REPORT**

Corporate Governance refers to a combination of laws, regulations, procedures, implicit rules and voluntary practice that enables companies to attract financial and human capital, perform efficiently and thereby maximise long-term value for shareholders, while respecting the aspect of multiple stakeholders. Corporate Governance rests upon four pillars viz., transparency, full-disclosure, independent monitoring and being fair to all, especially to minority shareholders.

The essence of Corporate Governance is thus the phrase "Your Company". It is "Your Company" because it belongs to you the shareholders. The Chairman and Directors are fiduciaries and trustees. Their objective is to push the business forward to maximise your long-term value.
