DIVIDEND:

The Board has recommended to maintain the dividend of 8% for the year at a rate of Re. 0.80 per share on 60,00,000 Equity shares of the nominal value of Rs. 10/- each aggregating to Rs. 48.00 Lacs excluding dividend tax. The dividend for the current year will be free of tax in the hands of shareholders.

PERFORMANCE:

Gross revenue for the year increased to Rs. 19.63 Crores reflecting a growth of about 5% over the previous year. However Net profit has declined to Rs. 1.23 Crores mainly on account of absorbitant increase in inputs, utilities which put tremendous pressure on margins since the increase was not compensated with escalation in selling prices of all finished products due to keen competition from Chinese supplies.

OUTLOOK:

During the current year, due to the inflationary pressures, the Reserve Bank of India has been steadily increasing interest rates. This is expected to adversely impact overall economic growth and therefore could impact the demand for the Company's products, thereby impacting the sales growth. Due to the steep increase in commodity prices, input costs have gone up sharply. Though the Company does pass on these increase by way of price increase, this could impact margins as there is a lag between the cost increase and the price increase.

The overall expenditure during the year was Rs. 123.32 Lacs. Out of this approximately Rs. 111.31 lacs was spent on fixed assets for various manufacturing units, offices, laboratories and warehouses and on information technology .
