#### 2. DIVIDEND:

In view of the need to conserve the resources for the future growth, no dividend has been considered by the Board.

#### 3. PRESENT OPERATIONS & FUTURE OUTLOOK:

During the year under consideration, the Company has increased its focus on local sales. Due to the aggressive marketing policies of the Company, in the area of local sales, as well as widening of the range of products available with the Company, the total local sales has gone up by 18% as compared with the previous year. Due to the depressed overseas markets, and the ever increasing cost of raw materials, and steep increase in the bank interest rates, the export sales has dropped in the year under consideration. The overall sales is still positive as compare to the previous year.

With the Indian economy still maintaining a healthy GDP growth rate as compared to most of the other countries in the world, the Company has increased its focus in the more profitable local markets and is confident of a healthy increase in its turnover and profits in the following year.
