Letter to Shareholders

Your Company has achieved many a milestone and has had a significant financial year ended March'08, the quarter ended June '08 is further reinforcing our belief that *Deccan Chronicle Holdings Ltd* will change considerably in size and character over the next 24 months and achieve substantial value creation for its shareholders.

Your Company has successfully accomplished its vision of being present in all three large southern markets and is poised to attain leadership position in Southern India with the launch of the **Bangalore edition on May 26th 2008**.

Your Company has entered the financial/business segment on **April 16th 2008** with the launch of the *Financial Chronicle* on a pan India basis launching simultaneous editions from **Bangalore, Chennai, Hyderabad & Mumbai**. The product is a refreshing change from the current offerings and is aimed to be more interactive, its appeal is further enhanced by the co-branding with the *International Herald Tribune* as it brings global news and perspective to the reader.

The web edition of the *Financial Chronicle* www.mydigitalfc.com has garnered more hits/page views than its print format in size of readership besides a greater level of interactivity that has attracted a larger audience. www.mydigitalfc.com as a portal will soon replace many other offerings as a one stop content/analysis portal.

The web is the future. *Deccan Chronicle* on the web together with www.mydigitalfc.com and the specific student community portal of www.papyrusclubs.com and two more specific portals under development residing in *Sieger Solutions* has achieved a remarkable success with turnover from content/subscription/advertising as follows for the year ended March 31st 2008:

Sales Turnover	: Rs. 71, 88, 61,930
PBIDT	: Rs. 58, 95, 13,960
PBT	: Rs. 48, 72, 04,818
PAT	: Rs. 31, 97, 28,232

These numbers are significant as they indicate the trend and direction that will change the character of *Deccan Chronicle Holdings Ltd* in future as eventually web initiatives of *Sieger Solutions* will become larger as we can see from the performance for the quarter ended June 30th 2008:

Sales Turnover	: Rs. 23, 15, 98,121
PBIDT	: Rs. 18, 23, 61,069
PBT	: Rs. 16, 20, 55,189
PAT	: Rs. 13, 18, 55,189

The challenges of growth in the industry and the current difficult global scenario has led to increasing cost pressure on the newsprint prices globally together with higher freight costs owing to astronomical rise in the price of crude oil, your Company has tried to mitigate these with a rate increase of 30% in its advertising tariff across all its editions effective from May 1st 2008 and this should reasonably cover any dips in the profitability ratios.

On behalf of the management team I assure that your Company is ready to grab market share and seize business opportunities as much as take corrective steps and change course as we encounter new challenges. I also take this opportunity to thank the Board of Directors for their support and suggestions, our suppliers, employees and our readers.

Sincerely,

P K Iyer
Managing Director

The advertisement revenue increased on account of increased advertisement realization and higher volumes. During the year the Company increased advertisement rates by 30% across all its editions. The trend to move to colour advertisements continue to yield better returns to the Company.

The advertisement revenue as a percentage of Income from operations has increased from about 92% to 94%

The circulation revenue has increased on account of increase in circulation. As per the latest certificates of the Audit Bureau of Circulation (ABC) for the period July- Dec 2007 the circulation in Andhra Pradesh is 7,00,838 copies and in Chennai is 3,02,333 copies aggregating to a total circulation of 10,03,171 copies as against January- June 2007 circulation of 6,49,469 copies in Andhra Pradesh and 2,98,822 copies in Chennai aggregating to a total circulation of 9,48,291 copies marking a growth of 6%.

Industry Overview

The newspaper industry in India is robust and growing. While circulation worldwide is hitting a plateau, India is a buoyant market where circulation figures continue to rise. Media groups are launching new publications, the established ones spreading wings and launching second titles and covering more cities. The expansion of the Indian newspaper industry

has been fuelled by increasing literacy and economic prosperity. With the increased reach of the Print Media and its ability to attract customers for businesses the advertising spend in the print is fast increasing.
