LETTER FROM CHAIRMAN

Dear Shareholders,

Welcome to another year in the life of India's first ever listed gold exploration company.

A big hurdle hindering the progress of your company for some time has been the non grant of licenses at the Karnataka State level.

We have been actively pursuing these permits in Karnataka and have reason to be optimistic about the future with respect to the grant of these permits.

New regulations presented by the Hoda Commission are most likely to go before the winter session of the Parliament in Delhi. Hopefully the suggested changes will be approved by the Parliament and will bring about some major changes to the mineral policy.

Mining is a long term venture and the more ounces of gold that we can prove and accumulate in the ground, the more valuable will be the underlying value of your company.

Two of our key areas namely Hirenagnur and Ganajur, details of which have been provided in this Annual Report, have the potential to deliver economic mineable deposits of a sizeable value particularly with the price of gold between US \$700-800 an ounce. Ofcourse, we are yet to undertake substantial drilling in these areas to prove up the deposits, which we will do as soon as the licences are granted.

Do not forget we have many good projects including all the continuations of the gold reefs north of the Hutti Gold mine over which we have made Prospecting License applications. Again, this project is ready for drilling as soon as the license is granted.

I am of the firm belief that India is about to embark on one of the world's largest ever gold mining booms.

Deccan Gold is perfectly placed to take advantage of this boom.

Yours Sincerely,

Charles E E Devenish
