Operations

During the year under report there has been an impressive increase in sales turnover and gross profit, in comparison with the previous year. The Company has recorded income from operations of Rs 3135.32 lacs as against Rs 2539.25 lacs in the previous year. The company has exported 306 MTs of its products valued at 262.72 lakhs during the year under report as against 637.13 MTs valued 482.65 lakhs in the previous year. Due to increase in sales volume in the domestic market the export volume has declined. In domestic market, the off-take from cement/fertilizer industry has further increased due to increased demand in the domestic market. This has resulted in substantial increase in capacity utilization, resulting in growth in net profit for the year. The company could bring down some of the expenses, due to sincere efforts put in by the staff.

The company has initiated steps to improve the margins by implementing cost control measures. The Company is hopeful of achieving improved performance in the coming years.

Future Outlook

You are aware that the fortunes of the Company are by and large linked to the performance and growth of the cement and fertilizer industries. Considering the new Government policies in the Centre and in State for development of infrastructure, and liberalization of economy in the coming months, especially for agriculture sector, the demand for bags should improve substantially. The economy is presently witnessing phenomenal growth in the construction industry and the demand for packing material is also growing. Your Company is exporting to USA, UK, Portugal, Malaysia, Sri Lanka, Zambia and UAE. The focus on export market will continue. Considering the present increased demand in the domestic market and other market conditions your Directors are hopeful of improved performance during the year ahead.

Corporate Governance

The company has implemented the Corporate Governance Code during the year under report. A detailed report is enclosed.
