Balance carried to		
Balance Sheet	180.85	161.02

Operations

The overall performance of the company in terms of sales and turnover has been lower than the previous year. During the year the company has recorded production of 2010 MTs (previous year 2638 MTs). The production has been low in the year under report due to frequent power cuts leading to loss of production for almost 3 months. This has also affected the capacity utilization. The Company has recorded capacity utilization of 65.62% in comparison with the previous year 86.12%. The Company has focused in local sales hence has not recorded any exports.

The realization on sales during the year under report has marginally improved for woven sacks and fabric. The Company has recorded lower net profit of Rs. 19.83 lakhs as against Rs. 36.77 Lakhs in the previous. The company continued its efforts to reduce costs wherever possible to improve its overall performance. The company is hopeful of achieving improved performance in the coming years provided there is no disturbance on account of power supply and other factors. The company has made alternate arrangements

to ensure continuous and uninterrupted power supply by installing DG sets and supply through private companies.

Future Outlook

The power situation has not shown any improvement during the current year and the power crises is expected to continue. The Company is exploring the possibilities of purchasing power from Private Companies to mitigate the shortfall in power availability and ensure continuous production. The raw material prices are expected to remain stable and continue at the same levels as previous year, The Government is making efforts to boost the construction activity by taking up various infrastructure projects and announcing various schemes to provide for housing to the economically weaker sections. Such actions would boost the production of cement and its requirement for its packing. The company mainly caters to the packing requirements of the Cement and Fertilizer industries whose operations has been affected due to present recessionary market conditions. The company has drawn strategic plans to strike balance between the domestic and export market to ensure improvement in performance in future.
