The Company has taken steps to mitigate the following risks.

Raw Material Price:

As the Company suspended the activities, there is no raw material.

Competition and price pressure:

Our being a packing industry there are many players and there is severe competition and price cutting indulged by competitors. Action of one player is followed by other to either increase market shares or offer low price to retain the volumes, which leads to suspension of production activity of the company.

Foreign Currency Risks:

The Company's exposure to foreign currency is low. The export volumes are nil. The impact of foreign exchange fluctuation is almost negligible considering the volume of transactions in foreign currency.
