## DIRECTORS' REPORT

The Directors take pleasure in presenting the Thirty Third Annual Report of your Company for the financial year ended 31st March 2015.

### Financial Results

The total income during the year under review was Rs.106.78 lacs. The pre-tax profits were Rs.26.43 lacs after providing for depreciation of Rs.0.12 lacs. A provision of Rs.5.25 lacs has been made for taxation in the current year.

After adjusting for deferred tax, the net profit was Rs.21.41 lacs. No amount has been transferred to General Reserves.

### Dividend

In view of the additional financial burden imposed on the Company due to increased requirement of compliances under the Companies Act, 2013, the Directors do not recommend payment of Dividend for the year ended 31<sup>st</sup> March 2015.

### Outlook

The global economy continues to be mired in difficulties and challenges, emanating in part from the Greek debt crisis. This has resulted in substantial weakening of the Euro and continuing pressure in the Eurozone. The Chinese economy too has been undergoing a slowdown in growth, resulting in subdued demand for commodities worldwide.

On the domestic front, the hopes and expectations from the new Government have yet to translate into a meaningful economic activity, especially in the development of infrastructure. Despite the benefit of reducing petroleum prices, the Indian currency has been weakening, reflecting the higher interest rates in India which are yet to moderate to reasonable levels.

Given these circumstances, the Company expects continuing challenges through the year, especially as compliance costs under the new policy environment have gone up substantially. The Company will therefore need to be conservative while exploring new opportunities.

### Public Deposits

The Company has no public deposits.

### Loans, guarantees and investments

The Company has not given any loans, guarantees or made investments under Section 186 of the Companies Act, 2013.
