TOGETHER WE SOAR

WOMEN EMPOWERMENT

Women's empowerment and achieving gender equality helps society ensure the sustainable development of a country. Many world leaders and scholars have argued that sustainable development is impossible without gender equality and women's empowerment. Sustainable development accepts environmental protection, social and economic development, including women's empowerment. In the context of women and development, empowerment must include more choices for women to make on their own

(Factory Images of Bari Mandi , Dhampur)

Over the years, we have embarked on the journey of social change through empowering many women with financial freedom and self-worth & that has come to them from mastering the valuable skill.
