5. Any member seeking any information/clarification pertaining to the audited accounts of the Company may kindly inform the Company in writing at least 7 days in advance so that your Directors could be ready with the desired particulars.

DIRECTORS REPORT TO THE SHAREHOLDERS:

Your Directors take pleasure in presenting the 17th Annual Report and the Audited Statements of Accounts for the year ended on 31st March 2004.

FINANCIAL RESULTS:

The Financial Results of the company for the year under review and those of the previous year are given here under:

	(Rs. in Lacs)
	For the year ended 31.03.2004
	Previous year ended 31.03.2003
Gross Turnover (including other income)	147.29
Less: Expenses:	107.63
Gross Profit (Before Dep. Int. & Tax)	39.66
Less: Depreciation	13.37
Less: Interest	29.33
Net Profit (Before Tax)	(3.05)
Less: Provision for Tax	-
Less: Provision for Deferred Tax	-
Net (Loss)	(3.05)
Balance B/F	(84.85)
Balance (loss) carried to Balance Sheet	(87.90)
	(84.85)

Though the gross turnover decreased by 13% compared to previous year, there was a sizeable increase in the gross profit before Depreciation and Interest by about 23%, mainly due to continuous improvements in operational efficiencies and effective cost control mechanism and close monitoring of production schedules. Your Directors are optimistic about further improvements in the working results in the current year.

DIVIDEND:

There being no realised profits, your Directors regret their inability to recommend any Dividend for the year.

MANAGEMENT DISCUSSION AND ANALYSIS:

A Report on Management Discussion and Analysis forming part of this Annual Report is annexed hereto and marked as Annexure - 'A'

ANNEXURE 'A'

MANAGEMENT DISCUSSION & ANALYSIS:

INDUSTRY STRUCTURE & DEVELOPMENT:

The Lighting Industry has great prospects in the Country. With more and more Electrification of the rural India and growing activities in the Infrastructural Developments of the country. The increase in the demands for the products of the Industry will grow in a geometric progression. There is already a wide gap between the demand and supply of Lighting products and it is expected to widen further consequent to an estimated increase in the demand by above 15% p.a. in the next 5 year plan period. Moreover increased attention of the consumers is drawn to the modern sophisticated and luxury items while the traditional items continues to rule the mass market. Your Directors are happy to announce that your Company has got approval from the Bureau of Indian Standard for our copper choke, we further inform that we have also got DGS&D rate contract which will help us to grow further in the years to come. We are also expecting a very good business volume from various department of Government of India because of this approval of DGS&D rate contract.

OPPORTUNITIES & THREAT

The Filament manufacturing Industry was in its infancy till recently. The Lighting Industry in the Country had to depend on the import of filaments from the developed countries in the west. In fact, the Lighting Industry in the country had been dependent on a few Large scale producers generally controlled by multinational giants. But with the growing support of the Central Government for indigenous industry with import of necessary technical know-how, the medium sized producers have a wide scope and opportunities to grow.

OUTLOOK:

Barring some unforeseen circumstances, the Company is committed to grow with progressively improved profitability and import of more and more modern technologies.

RISK & CONCERN:

Your Directors do not foresee any immediate risk as such. Yet the following factors may influence further prospects to some extent:

- (i) fluctuation in Budget allocations for infrastructure Developments affecting the growth in the demand for Lighting products ; and
- (ii) Intensity of the price war imported by new entrants from other Asian Countries, specially China and Korea.

RESEARCH & DEVELOPMENT :

The Company is in the process of setting up a more modern Research & Development centre with necessary state of the art laboratory facilities. The new setup will be exclusively engaged for development of a new range of value added products. Necessary steps are being taken to obtain accreditations for ISO 9001-2000 for maintenance of international quality standards.

INTERNAL CONTROL:

The Company has proper and adequate system of internal controls commensurate with the size of the Company and the nature of its business. Regular Internal Audits and checks are carried out to ensure that the responsibilities are executed effectively and that adequate systems are in place.

HUMAN RESOURCE DEVELOPMENT & INDUSTRIAL RELATION:

The Company continues to maintain excellent Industrial Relations while ensuring continuous development of Human Resources through appropriate training and Educational Programmes towards achieving improved productivity and flexibility in production and marketing.

ANNEXURE-B

REPORT ON CORPORATE GOVERNANCE:

1. PHILOSOPHY:

The Company believes in total Transparency, Accountability and Equity in Management of the affairs of the company at all levels. The Company is fully committed to and envisages to implement and achieve highest level of good Corporate Governance keeping in view the latest requirements of the Listing Agreements and present day corporate practices. It endeavours to attend the highest standard of such qualities in all spheres of company's operations and in its interactions with its customers and shareholders which is the key factor for sustainable corporate growth and long term value additions for its Shareholders.

2. BOARD OF DIRECTORS:

The Board of Directors closely monitors the performance and management of the company .It approves and reviews the strategy of the day to day conduct of company's business through its various committees and also evaluates their respective performances. It ensures legal and ethical conduct and accuracy in financial reporting. It holds itself responsible for the long term health of the company.

The day to day affairs of the company is managed by the wholetime Managing Director under the control and supervision of the Board. The Non Executive Directors of the company are professionally qualified having wide experience in general Corporate Management, Finance and Law.
