Chairman

**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****ANNEXURE 1****INDUSTRY STRUCTURE AND DEVELOPMENT**

Your Company is a leading producers of Ethyleneamines in India having a plant at PCC Area, P.O. Petrofils, Vadodara 391 347. At present, we enjoy a major share of market in India and are in process of making inroads into international market. Our Products find application in important industry segments like pharmaceuticals, agro-chemicals, dyes & pigments etc. The day-to-day management of the company is looked after by the Chief Executive Officer assisted by a team of competent technical & commercial professionals. Further details on the Company can be obtained by visiting the website "[www.dacl.co.in](http://www.dacl.co.in)".

**PERFORMANCE**

Total income (combined operations of DACL and AFTL) for the year 2001-2002 amounted to Rs. 2187.67 lacs compared to Rs. 2538.84 lacs of the previous year. Sales in quantity terms amounted to 1192 MT compared to 1360.74 MT for the year 2000 - 2001.

Production of Ethyleneamines amounted to 1142 MT for the year 2001-2002 compared to 1399.69 M.T. for the year 2000-2001.

**OPPORTUNITIES, THREATS, RISKS AND CONCERNS**

We are the leading manufacturers of Piperazine Anhydrous and Piperazine 65% in India. The Company continues to consolidate its pre-eminent position in various ethyleneamines markets in India. Our inhouse experience of handling various ethylene amines is going to play a major role in the coming years in the business of manufacture and marketing of these products. Availability of international quality at short notice makes our company a logical supplier for Indian customers.

Your Company also recognizes the risks associated with business and would take adequate measures to address the associated risks and concerns. Some of these factors include the competitors being multinational companies, duty free imports by customers against export obligations, our pricing strategy being mainly dependent on imports and Government tariffs and dependence on imported raw material.

**FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**

We are pleased to report that, the operating profit before tax amounted to Rs. 532.42 lacs (combined operations of DACL and AFTL) compared to Rs. 69.48 lacs (combined operations of DACL and AFTL) of last year.

The increase in profit is partly due to extraordinary items such as write back of interest on account of one-time settlement and partly due to improved operating efficiency.

**INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

The Company has installed a good system of internal controls in all spheres of its activity. The internal control is supplemented by effective internal audit being carried out by an external firm of chartered accountants. The Audit Committee of Directors regularly reviews the findings of the Internal Auditors and effective steps to implement the suggestions/observations of the Auditors are taken and monitored regularly. In the opinion of the Board, an effective internal control system adequate to the size of the Company exists.

**DIAMINES AND CHEMICALS LIMITED****ANNUAL REPORT 2001-2002****HUMAN RESOURCE/INDUSTRIAL RELATIONS**

The Employees Relations continued to be cordial in the Company and the Management thanks all the employees for their continued support. Your Company has entered into a settlement with the employees union following the Labour Court Award and the issues are settled across the table amicably.

The Company has initiated many steps in the career and personality development of the employees belonging to different departments. For continual improvement of the working of the company and to encourage employees participation, the Company had introduced a Suggestion Scheme, which has received a good response. Some of the suggestions approved by the management have been implemented.

**BUSINESS OUTLOOK**

The outlook for the year 2002-2003, may have to be viewed considering the effects of various external and internal factors on the working of the Company. The main products of our company, namely, Piperazine Anhydrous and Piperazine 65% go into the manufacture of antibiotics which fall under the range of Quinolones. The Quinolones range of antibacterials are expected to have an increase in demand by 10% to 15% per annum during the next few years. We are also looking at the possibility of adding new products to our product range.
