**MATERIAL CHANGES AND COMMITMENTS IF ANY AFTER
BALANCESHEET DATE :**

There are no material changes and commitments, if any, which may have adverse effect on the operations of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS :

During the year under the review the capital market was a period of profit booking. The company has liquidated its investment made in the shares. The operating income was Rs. 2011651 and other income was Rs. 4197957. Since investment made in the equity shares are subject to greater risk and return, the company expects that with the improvement in the capital market the risk will decline and there will be more returns. Further capital market is subject to various internal and external factors such global economic scenario, political stability, economic policies of the government, tax factors affecting the capital market etc. Though the directors of the company have a wide experience in the field of capital market but the company have no control over the external factors while making investment. However due to their wide experience and critical analysis the company is taking steps to overcome the situation.

Statements made in the above para in regard to projections, estimates and expectations may be "forward looking statements" within the meaning of applicable securities laws and regulations. Many unforeseen factors may come into play and effect the actual results which could be different from what Directors envisage in terms of future performance and outlook.

APPRECIATION :

Your Directors wish to convey their thanks to all the bankers, suppliers, customers and other persons for their continued support to the company.
