Dividend

The Directors are pleased to recommend for consideration of the shareholders a dividend of 45 % for the year on the existing share capital of Rs. 36,960,000 amounting to Rs.16,632,000 and tax on proposed dividend of Rs.2,130,559 for which provision has been made in the accounts.

Operations

The sales of the Company's Automotive Products during the year ended March 31, 2004 were Rs. 234.50 million compared to Rs. 221.39 million during the previous year.

The sales of Company's Pneumatic Products during the year ended March 31, 2004 were Rs. 177.20 million compared to Rs. 143.38 million during the previous year.

The combined sales of the company's two divisions were Rs 411.70 million compared to Rs 364.77 million during the previous year representing a growth of 12.9%.

The availability of raw materials did not pose any significant problems during the year. However the cost of copper registered a sharp increase in the second half of the year pushing cost of brass rods steeply.

Finance

The Company's management of finance ensured smooth operations. The cost of working capital was brought down by availing of lower interest bearing facilities. The savings were significant.

Conservation of Energy, Technology Absorption, Exports and Foreign Exchange Earnings and Outgo.

A statement giving details of conservation of energy, technology absorption, exports and foreign exchange earnings and outgoings in accordance with Companies (Disclosure of Particulars in the Report of Directors) Rules, 1988 is annexed.

Industrial Relations

Industrial relations were smooth during the year with all sections of employees.

Details pursuant to the requirements of section 217(2A) of the Companies Act, 1956 read with Companies (Particulars of Employees) Rules, 1975 as amended from time to time is not applicable.

Expansion and Diversification

Encouraged by a continuing growth in sales, the Automotive Division is working out plans for yet another vulcanising press and balancing equipment to augment capacity. One press was added in the previous year and has been commissioned.

Constant upgradation and expansion of ranges of products such as two way valves sustains the division's momentum on sales.

Associated Polymers Limited

During the year ended March 31, 2004 the company processed 420 M.T. of rubber compound against 634 M.T. in the previous year. The drop was on account of one major customer having established in-house mixing facility and resultant loss orders.

Directors

To appoint a Director in place of Mr. J P Goenka who retires by rotation and is eligible for re- appointment.

Directors Responsibility Statement

- i) that in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departure;
- ii) that the directors had selected such accounting policies and applied them consistently and made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit or loss of the company for that period;
- iii) that the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provision of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- iv) that the directors had prepared the annual accounts on a going concern basis.

Corporate Governance

As per clause 49 of the Listing Agreement with the Stock Exchanges, a section on Corporate Governance and Management Discussion and Analysis together with a certificate from the Company's Auditor confirming compliance is set out in the Annexure forming part of this report.

Auditors

M/s. Price Waterhouse & Co., Chartered Accountants, retire at the Annual General Meeting and are eligible for reappointment. A certificate under section 224(1) of the Companies Act has been received from them.

On behalf of the Board of Directors
