CURRENT STATUS

The members are aware that as a result of the gradual deterioration of the Company's financial health and the net worth of the Company becoming negative in 1997, the Company was declared by the Board for Industrial and Financial Reconstruction ('BIFR') a sick industrial company within the meaning of the Sick Industrial Companies (Special Provisions) Act, 1985 ('SICA') and the Industrial Development Bank of India (IDBI) was appointed as the Operating Agency. Pursuant to orders passed and directions given from time to time by the BIFR, a revival scheme under the provisions of Section 17(3) of SICA had been submitted by the Company.

Your Directors had reported earlier that the operations at the Company's factories at Sahaganj and Ambattur had been suspended on 7 and 8 February, 1998 respectively, and the operations at all the other units, except the Registered Office of the Company, had also been suspended from 2nd August, 1999. With a view to mitigating the hardships faced by the workforce and stakeholders and also towards arresting the cumulative loss as well as the deterioration of the plant and equipment at the manufacturing units, your Company decided to resume business operations from early this year. Understandings were reached with the Unions at both Ambattur and Sahaganj as well as the individual Unions of 17 different Depots on a country wide basis and suspension was lifted at the Ambattur Plant on 7th February, 2000 while at the Sahaganj Plant on 11th March, 2000. The State Governments of Tamil Nadu and West Bengal as well as the State Administration and concerned Departments extended invaluable support in the matter.

Agreements were also reached with suppliers, dealers and critical customers for the resumption of activities as a "Holding Operation" which would work essentially through inputs provided by your Company's Promoter and by organising a "cash balance" operation till the revival package is cleared by the BIFR.

Your Directors are pleased to report that production at both the plants has stabilised. Major orders have been received and are under execution for Aero Tyres, Off-the-Road Tyres, Truck and LCV Tyres, Farm Tyres apart from Conveyor Belt, Vee Belts, Hoses and other Industrial Products. Over 2500 tyres for the Indian Air-force have already been despatched after full certification of plant and equipment, quality assurance procedures and the end product itself.

Your Directors had reported earlier of a Revival Scheme submitted under Section 17(3) to the BIFR. The Hon'ble Bench of the BIFR has, since, conducted two hearings on the Scheme, the last having been held on 22nd June, 2000. As desired by the Hon'ble Bench further amendments have been made on the Scheme which has been resubmitted to the IDBI who are the Operating Agency appointed by BIFR. The Scheme is presently under scrutiny by IDBI and is likely to be submitted to BIFR for consideration and sanction in the near future.

DIVIDEND

In view of suspension of commercial activities during the period under review and the Company being a sick industrial company under the provisions of SICA, 1985, your Directors regret that they are unable to recommend payment of dividend for the period under review.

PUBLIC DEPOSIT

Fixed Deposits matured upto 31 March, 2000 but not paid amount to Rs. 11,37,02,000, out of which claim for repayment of Rs. 9,83,93,000 has been received from the depositors. Matured Deposits amounting to Rs. 1,53,09,000 remained unclaimed at the end of the period.

The above amount has been included in the revival scheme under Section 17(3) of SICA and repayment shall be made in accordance with and in terms of approval of the Hon'ble BIFR.
