Bhagwandas K. Patel
Managing Director

Dear Members,

It gives me great pleasure to share with you an update on the overall performance of your Company.

In a challenging external environment, your Company performed well and delivered another year of consistent, competitive growth. We achieved a sales turnover of Rs. 126 crores comprising Rs. 41 crores in the domestic market and Rs. 85 crores in exports. Comparing to previous year the turnover had marginally increased but net profits are low by 20%. The impact is due to volatile market conditions in Europe and America, rising costs and strict pollution norms. However in current year we had received permission from GPCB to discard the waste water through ETL and we are hopeful by doing so our cost will decrease in the current year.

This year the Board of Directors had declared interim dividend in March 2016 of Rs. 1.50 per share. The Board has recommended nil Final Dividend for the year ended March 31, 2016.

As far as year 2016-17 is concerned, your Management is hopeful for the market to change looking to quarter 1 results wherein though the sale had decreased by 3% from Rs. 32.05 crores to Rs. 30.94 crores the net profit had increased by 32% from Rs. 2.25 crores to Rs. 2.97 crores comparing quarter 1 results with preceding year same period.

Finally On behalf of Board and the Management team, I thank all shareholders, customers, vendors, bankers, insurance companies, consultants, advisors and our employees for their continued support and assure them of our sustained best efforts to achieve the desired results.
