Bhagwandas K. Patel Managing Director

Dear Members,

As you know, the year under review 2020-2021 was very difficult year for all of us. The pandemic Covid created global disturbances across spreading in every sphere of life. However, your company Dynemic Products Limited has faced all the challenges collectively and created another milestone performing year by achieving better performance. We are proud to share the glimpses of performances for the year ended 31st March, 2021.

Despite all these challenges, heavy pressure on margins and stiff competition, your company had achieved a magnificent growth in sales @ 14.45% during the year 2020-21 as against growth of 12.60% in 2019-20 (Last year). During the reporting year 2020-21, your company earned Net Profit of Rs. 2849 Lacs as against Rs. 2413 Lacs in year 2019-20. This has resulted into Net Profit growth of 18.06%, which is one of major milestone in the overall performance of the company. Earnings per share also improved to Rs. 25.05 per share from Rs. 21.06 per share on standalone basis.

We will like to mention here that the consistent growth during the year was achieved due to continuous guidance of our Board of Directors, unstinted support by our Bankers, suppliers, Employees, Continuity of faith of our customers in our quality products by raising adequate demands for them, which are backed by strict adherence to international Quality parameters and timely supply by our Marketing & production team and confidence of our Shareholders on our commitments for strong performances. We will like to restate that we never compromised on safety & environment and followed strict norms for safety, environment, Social welfare activities, quality of our product and all other written, unwritten globally & nationally accepted norms.

Our Dahej Project was delayed due to various obstacles created due to Covid situation, which resulted into shortages of material and services. However, we put all our sincere efforts to bring it on starting path. As intimated earlier through Exchanges, Food Color plant of the Dahej project had started Commercial production on 5th July, 2021. We are also hopeful that the balance project of Dye Intermediates will be completed very soon and we will update our members accordingly.

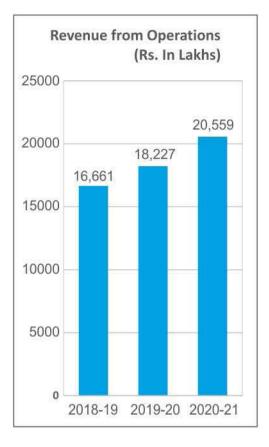

During the year the Board of Directors had not declared dividend to retain funds for Dahej expansion, working capital and to reduce pressure of interest burden.

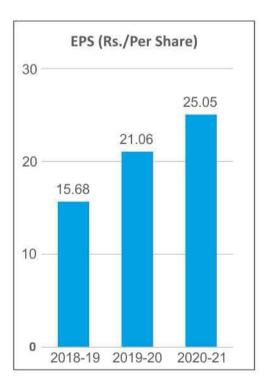

I would like to take this opportunity to express our sincere concern by wishing you safe, healthy & prosperous years ahead and we adhere to commit that we will keep serving our members by continuously improving performances of your Company in the coming years.
