Item No.5

Financial Institutions normally stipulate as one of the conditions that they must be able to nominate Directors on the Board of Company whenever they consider it necessary as long as their assistance in the form of loan or subscription to debentures or any such financing facility is being enjoyed by the Company. Our Company has been sanctioned a loan of Rs.330 lakhs from Industrial Development Bank of India, and a part of which has already been drawn down by the Company. In order to comply with the terms and conditions of Industrial Development Bank of India the Clause facilitating appointment of Nominee Director is proposed to be included. To enable the company to purchase any of its own shares or securities, an article is being added. The Special Resolution proposed at item No.5 gives effect to the alterations of the Articles of Association explained above and the Directors recommend the resolution for approval of the members.

A copy of the Memorandum and Articles of Association of the Company together with the proposed alterations is available for inspection by the members of the company at its Registered Office between 11 a.m. and 1 p.m. on any working day of the company.

Item No.6

In the present competitive environment in the Country and in the long term interest of the Company and its Shareholders, it is necessary that the Company adopts measures for attracting and retaining qualified, talented and competent personnel. Stock Option Schemes, designed to foster a sense of ownership and belonging amongst personnel, are a well-accepted approach to this end. It is therefore, appropriate to consider introducing a Stock Option Scheme for the permanent employees of the Company and its Managing Whole Time Directors. The Shares may be allotted directly to employees or allocated in accordance with a Stock Option Scheme framed in that behalf, in accordance with the provisions of the prevailing law. It is intended that any such Stock Option Scheme shall not involve an issue/allocation of shares/options representing more than 10% of the Company's outstanding subscribed and paid-up capital at any time. The proposed Resolution is designed to enable achievement of these objectives.

Section 81 of the Act, provides, inter alia, that whenever it is proposed to increase the Subscribed Capital of a Company by the allotment of further shares, such further shares shall be offered to the existing shareholders of the Company in the manner laid down in the said Section unless the Shareholders in the General Meeting decide otherwise. The consent of the Shareholders therefore, sought to authorise the Board of Directors to issue the shares in the manner set out in the Resolution at Item No.7.

The Board recommends the Resolution for acceptance.

Mr V.Srikanth the Vice Chairman and Mr K.V.Ramachandran, the Managing Director may be deemed to be concerned or interested in the Resolution at Item No.7 to the extent of the Securities, which may be offered and issued to them.
