2. OPERATIONS:

Your Company has made a significant improvement in its Operating Results for the year ended 31st March, 2000.

The Net Sales income increased by 61% to Rs.214.9 million (Rs.133.5 million). The sales volume for the year was at 3101 MT, an increase of 33% over the previous year. The Company has achieved a net profit after tax of Rs.6.9 million as against Rs.0.55 million, the previous year.

The Company exported 189 MT of film valued at Rs.12.3 million for the first time. The quality and specifications of the film matched those of European suppliers with competitive prices, shorter delivery times and technical service support.

The improvement in sales is due to the efforts made by the Company to move from being a predominant supplier to the Flexible Packaging industry, to speciality market segments.

The Company acquired management control in Jampore Printers Ltd. to improve the quality of printed films and to remain competitive by reducing costs. The improvement in quality has brought about a marked change in customer satisfaction and will pave the way for better penetration and higher sales volumes for printed films in packaging of food commodities.

3. DIVIDEND

The Directors recommend a dividend of 10% for the year on the equity capital to the members, for approval at the Annual General Meeting.

4. CAPITAL & FINANCE:

The Company's Working Capital Facilities with Union Bank

of India has been renewed at Rs.30.00 Million with some modifications to suit the Company's requirements.

The Company has repaid Rs.7.2 Million towards term loan repayment to Union Bank of India and Rs.0.15 Million to GSFC.

5. BORROWING:

At the close of the year there were no fixed deposits due for payment which remained either unclaimed or unpaid except 24 deposits amounting to Rs.6,93,000 which have matured but not claimed. The Company has complied with all the requirements of the Companies (Acceptance of Deposits) Rules 1975.

Y2K COMPLIANCE :

The Company successfully completed the modifications in computer systems, well in time, to be Y2K compliant.

7. PROSPECTS FOR THE CURRENT YEAR:

The Company has gained an excellent reputation by supplying "zero defect films" over the last two years to three key speciality market segments.

These new applications, which are also import substitutes, along with the export of films will help maintain the growth in sales and profits in the current year.

8. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO:

Information in accordance with Clause (e) of sub-section (1) of section 217 of the Companies Act, 1956 read with the Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988 and forming part of the Directors' Report for the financial year ended 31rd March, 2000 is given in the Annexure to the Report.

PARTICULARS OF EMPLOYEES:

Information as per Section 217(2A) of the Companies Act, 1956 read with the Companies (Particulars of Employees) Rules, 1975 forms part of this Report. However, as per the provisions of Section 219 (1)(b) (iv) of the Companies Act, 1956, the Report and Accounts are being sent to all shareholders of the Company excluding the Statement of Particulars of Employees under Section 217 (2A) of the Act. Any shareholder interested in obtaining a copy of the statement may write to the Secretary at the Registered Office of the Company.

10. AUDITORS' QUALIFICATIONS:

The Auditors have qualified their Report with regard to the issue of Bonus Shares to the tune of Rs.10 Million by capitalisation of Revaluation Reserve on the plea that this is contrary to the recommendation of the Institute of Chartered Accountants of India.

In this connection the Directors would like to clarify that the Company has been legally advised that the provisions of the Companies Act, 1956 do not prohibit or restrict the Company from capitalising its Revaluation Reserves by issue of Bonus Shares. The Capitalisation does not involve any release of the Company's assets to its shareholders and in fact it freezes any possibility of its distribution except in the event of winding up. This legal position has been confirmed by English Courts in the case of Dimula Valley (Ceylone) Tea Ltd. v. Laurie.

Further more the Memorandum and Articles of Association also provides for and permits the capitalisation of Revaluation Reserves by issue of Bonus Shares. The Bonus Shares

Eighteenth Annual Report 1999 - 2000

were issued when the Company was a closely held nonlisted Company, to whom the guidelines for issue of Bonus Shares by Public Company as framed by SEBI did not apply at the relevant time. The recommendation was issued by the Institute of Chartered Accountants of India subsequent to the Company's issue of Bonus Shares. The Directors are therefore of the opinion that both according to the accounting principles and principles of Company Law, the Company is justified in capitalising its Revaluation Reserve.

11. SUBSIDIARY COMPANY:

During the year under review the Company invested in 5001 Equity Shares of Rs.100/- of Jampore Printers _td at the cost of Rs.1.67 million. As a consequence of this investment Jampore Printers Ltd became a subsidiary of the Company.

As required u/s, 212 of the Companies Act, 1956 annexed hereto are the Audited Statement of Accounts, Report of Board of Directors and Auditors for the year ended 31st March, 2000 of Jampore Printers Ltd.

12. LISTING OF EQUITY SHARES:

The Company's Equity Shares are listed on the Stock Exchange, at Mumbai, Baroda and Ahmedabad.

The company has paid listing fees for the period 1st April, 2000 to 31st March, 2001.

13. DIRECTORS:

Mr. P.D. Karkaria, Director of the Company retires by rotation

at the ensuing Annual General Meeting and being eligible offers himself for reappointment.

14. AUDITORS

M/s. Akkad Mehta & Co., Chartered Accountants, Auditors of the Company retire at the Annual General Meeting. They are however, eligible for reappointment. 15. ACKNOWLEDGEMENT

The Board wishes to place on record its appreciation for the co-operation of all employees and for their successful efforts in the development of new film structures. The Directors wish to acknowledge the support and co-operation extended by Union Bank of India, and Gujarat State Financial Corp. and not the least its shareholders for their continuing support and confidence in the Company during the difficult period.
