### Dividend

The directors recommend a dividend of INR 0.80 per equity share of INR 1.00 each. This along with the dividend distribution tax comes to INR 43.61 Million. The dividend will be paid to the registered members, who are in the register of members as on the book closure date and upon approval by the members of the Company at the ensuing annual general meeting. In respect of the dematerialised shares, dividend will be paid to the beneficial owners based on the list provided by the depositories.

### Review of operations and future outlook

During the year under review, the Company recorded sales of INR 1,407.32 Million as against INR 1,115.45 Million in the previous year. The Company earned a net profit of INR 177.32 Million as against INR 93.87 Million in the previous year.

The Indian subsidiaries, Treadsdirect Limited and Titan Tyrecare Products Limited achieved sales of INR 1,756.48 Million and INR 77.33 Million respectively during the year under review.

Acute power shortage and increase in cost of fuel during the financial year had a negative impact on the operations of the Company. Despite this, the Company achieved higher profitability on account of cost control and prudent financial management.

With increasing rubber prices, the margins are expected to be under pressure during the next financial year. The Company is taking measures to expand its market share overseas. These measures are expected to result in the growth of the Company's business globally.

### Risk and concerns

The Company does not face any risks other than those that are prevalent in the industry. The Company has taken all possible steps to overcome such risks. The main concerns are the volatility in raw material prices, availability of power and fluctuations in foreign exchange rates. Effective planning in raw material purchasing and the ability to pass on raw material price increases will minimise the risk relating to the volatility in raw material prices. Foreign exchange fluctuation risk will be minimised through proper planning and natural hedging.

As a part of the overall risk management strategy, all assets are appropriately insured.

### Internal control systems

An independent firm of Chartered Accountants carries out quarterly internal audit and the observations are reported to the management. Immediate steps are taken to rectify any discrepancies. All significant audit observations are discussed in the audit committee meetings.

### Human resources and industrial relations

The Company continues to enjoy a cordial relationship with all its employees. The employee count as on March 31, 2013 is 301.
