ENGLISH INDIAN CLAYS LIMITED**DIRECTORS' REPORT****FOR THE YEAR ENDED 31ST MARCH, 2002**

To

The Members:

Your Directors are pleased to present the Annual Report with audited accounts for the year ended 31st March, 2002.

ACQUISITION OF STARCH BUSINESS UNDER SCHEME OF REORGANISATION BY WAY OF MERGER OF ERSTWHILE BHARAT STARCH INDUSTRIES LTD. (BSIL) INTO THE COMPANY.

The Scheme of reorganization by way of arrangement, amalgamation and reconstruction between the Company and Bharat Starch Industries Ltd., BILT Bio-Chemicals Ltd. and Bharat Projects Ltd. was approved by the respective High Courts at Ahmedabad, Cochin and New Delhi vide their orders dated 8th February, 2002, 10th April, 2002 and 9th May, 2002 respectively. The said Scheme has become effective w.e.f. 07-06-2002, the transfer date being 1-04-2001. In the said scheme the Residuary Undertaking i.e. Starch Division and Investments of erstwhile Bharat Starch Industries Ltd. the Transferor Company, has merged with your Company and the accounts for the year ended 31-03-2002 represents a consolidated position of the clay and starch division prepared in terms of the scheme as sanctioned by the respective High Courts and therefore the figures for the year under review are not strictly comparable with the results of the previous year. For better understanding of the Clay operation results, for purposes of comparison, members are advised to review the figures presented in the Notes to the Accounts which forms a part of the Accounts.

Last year's Annual Report had mentioned in detail your company's attempt to honour its Corporate Guarantee obligations to the secured lenders to Bharat Starch by way of a Scheme of Re-organization involving BSIL, BILT Bio-chemicals Ltd., the Company and its subsidiary Bharat Projects Ltd. The Scheme involved sale of BSIL's Citric Acid Business to BILT Bio-chemicals Ltd.; merger of the Residuary Business (Primarily Starch) and BSIL into the Company, alongwith a Reconstruction of Bharat Projects Ltd. involving a substantial Capital Reduction to reflect the diminution in the later's assets. These Schemes required the consents of shareholders of all the companies involved, their secured and un-secured creditors, the Financial Institutions and Banks involved, and the three High Courts at Ahmedabad, Cochin and New Delhi and has taken 14 months to complete. Our compliments and congratulations to all the persons and entities involved in resolving a difficult situation which had dragged on for four years. With this report we seek to put the past behind us and look forward to an encouraging future.

The financial impact of the merger is clearly reflected in the Accounts and in the Notes to the Accounts. Briefly, your company has acquired BSIL's starch business comprising of two factories at Yamunanagar and Pondicherry for approximately Rs.46 Crores, which has been mainly funded by debt, liabilities, and some cash. As a consequence, the Company's financial charges have increased substantially from Rs.3.10 Crores to Rs.8.26 Crores and debt has increased from Rs.16.0 Crores to Rs.65.0 Crores approx. as at the end of the year under review. Depreciation has also increased substantially from Rs.1.43 Crores to Rs.4.47 Crores as a consequence of the merger. On the other hand the Company's Gross Operating Profit has increased from Rs.16.71 Crores to Rs.24 Crores reflecting the intrinsic profitability of the starch business and we are confident therefore that the merger will not pose any undue financial burden on the Company, whose total debt to Net Worth Ratio continues to remain extremely favourable.
