Key Performance Indicators

Mirchi Everywhere- an endeavour we started a few years back is moving ahead at a steady pace. Mirchi has become much more than Radio. We are now not only the largest radio network but also the largest organizer of concerts and activations. Besides this, Mirchi is also present on TV, Online, Social networks, Gaana, Delhi airport and now even on a Shatabdi train.

After the Phase-3 Batch-2 auctions, we have 21 new frequencies – taking our eventual total to 73 frequencies spread across 63 cities, spanning several languages and formats. Of the 73 frequencies, as many as 49 are currently live.

Our Online portfolio is also on a continuous expansion mode. We've added 5 new online stations to our bouquet of 16, taking the total to 21. These new stations play music ranging from Rabindra sangeet to International, from music for campus kids to Kannada and Telugu music. The new stations launched last year are Campus Radio, International Hitz, Rabindra Sangeet, Kannada Hits and Mirchi Love Telegu.

Mirchi is everywhere even on social networks. We streamed almost 200 million video views across our national and language YouTube channels in FY17. Together, these channels today command more than 1.2 million subscribers. On Facebook, we have over 4.5 million fans across our national and regional pages; And on Twitter, we have more than 340,000 followers

on our national and regional handles. Our website continues to be the #1 radio website in India.

Mirchi is also on TV through its popular television properties like the Mirchi Music Awards, Mirchi Top 20 and Spell Bee. The Mirchi Music Awards (MMAs), which are amongst the most respected awards in the film and music industry, are held in eight languages – Hindi, Bengali, Tamil, Telugu, Kannada, Malayalam, Marathi and Punjabi. These are telecast on TV and this year had a gross reach of 285 million people all over India (sum of all channels and shows). Through Spell Bee which is targeted at school children, we reached over 1,000 schools and more than 1 million students in 30 cities.

Mirchi is present everywhere on-ground too. We brought some of the largest experiential properties to consumers with over 180 activations during the year. At the Nexa P1 powerboat Grand Prix of the seas, we were the proud owners of Mumbai's hottest team- Mirchi Mavericks. Driven by internationally acclaimed pilots, our boats took the sea by storm. Mirchi Binge fest, in its debut year, saw a footfall of more than 15,000 over a weekend, as Mumbaikars indulged in a wonderful variety of food, fashion & drinks, curated by some of the best restaurants. Also, continuing the ultimate mélange of the adrenaline of a run and the rush of a party, Mirchi Neon Run was extended to six cities and was bigger, better and wackier. A participating crowd of over 20,000 runners enjoyed the run, followed by a grand after party. We are now a big player in musical concerts space as well. Our concerts business, branded Mirchi Live, took off this year with as many as 76 concerts being organized in 26 cities. That's more than 1 every 5 days. This year Mirchi brought popular YouTube star VidyaVox to Mumbai, Chennai and Bangalore. VidyaVox is a rage on social media platforms and enjoys a massive fan following. The festival put her in touch with her fans and delivered an unmatched experience of fusion music to nearly 11,000 raving fans.

With Mirchi Everywhere, we are constantly trying to push the envelope and we did it this year by launching Mirchi on a Shatabdi train – Mirchi's first footprint on the Indian Railway network. With the roll-out of

MMA Hindi a huge success on Digital too!

Mirchi on Kalka Shatabdi we are now in a position to offer a unique experience to nearly 48,000 travellers every month.

Mirchi was also an aggressive advertiser last year. It supported the launch of its new frequencies in all major markets. High-impact and innovative advertising was created and released all over media such as print, outdoor & digital.

Mirchi Everywhere is responsible for your Company's strong financial performance. In a year in which DeMonetization disrupted regular business, your Company's revenues from operations grew 9.4% to 556.6 crore. This year promises to be even more action-packed with the launch of more FM stations acquired during Phase-3 batch-2 auctions, more action in the online space, concerts and on-ground activations scaling higher heights. Here's to More Mirchi Everywhere!!!
