## **DIRECTORS REPORT**

The Members,

То

Your Directors have pleasure in presenting their Eight Annual Report together with the Audited Balance Sheet as on 31st March, 1999.

#### 1. PERFORMANCE OF THE COMPANY

This being the 8th year of operations of the Company, the performance of the Company was not satisfactory. The Company has incurred Net Loss of Rs.96,21,436/-. It is anticipated that the prospects of the Company will be better in the current year of operations.

Due to depressed economy in general and overall rescession in construction and projects, in particular, the Company could not achieve the projected turnover. The production and sales during the period under review were lower due to marketing problems. The Company thoroughly analysed the situation and took various steps to increase the sales.

A lot of priority has been given to acheving cost reductions particularly in manufacturing and other expenses. Furthermore, the Company sees to increase its sales.

The Company has taken various measures to achieve better growth in coming years. The Company has expanded the marketing territories of its specialities. The Company is poised for better performance during the next year.

The Company concentrated on identifying and overcoming various problems that existed and stabilised the operations of the Company. For the Current year, Company has also entered the export business market and hopes to achieve an exclusive export turnover of over rupees one crore for the current financial year.

Due to inadequate profits, the Board of Directors do not propose to declare any dividend or transfer of funds to the reserves for the year ended 31st March, 1999.

#### 2. FIXED DEPOSITS

Your company has not accepted any Deposits from the Public.

3. PARTICULARS ABOUT CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION FOREIGN EXCHANGE EARNINGS AND OUTGO:

Lighting systems have been designed to have optimum energy utilisation. The company does not have any research and development programme and the foreign exchange earnings & outgo are given in the Notes on Account.

The details regarding the Conservation of Energy, Technology, Absorption and Foreign Exchange Earnings & Outgo as per section 217(1) (e) of the Companies Act, 1956 read with companies (Disclosure of particulars in the Report of Board of Directors) Rules 1988 for the year ended 31st March, 1999 are as follows :

Information pursuant to the Companies (Disclosure of particular in the Report of the Board of Directors) Rules 1988.

:,

	a)	Energy conservation measures ta priority to conservation of energy o taken are :		
<ul> <li>iii) Regular and efficient maintenance of standby DG sets which has resulted in reduced consumption of HSD and lower cost per unit energy produced.</li> <li>b) Additional investment and proposals : It is a new plant and as such there is no proposal for any additional investment made for energy conservation.</li> <li>(c) Impact of the measures (a) and (b) above for reduction of energy consumption in consequent impact on the cost of production of goods. Essen Supplements India Limited

We have audited the attached Balance Sheet of ESSEN SUPPLEMENTS INDIA LIM-ITED as at 31st March, 1999 and Profit and Loss Account for the year ended on that date together with the notes thereon. As per the information and explanations furnished to us, and books and records examined by us in the normal course of Audit, we report that.

- 1. The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets. As explained to us, all the assets have been physically verified by the management at reasonable intervals during the year. According to the information and explanations given to us, no discrepencies have been noticed on such pysical verification as compared to the book records.
- 2. None of the fixed assets have been revalued during the year.
  - Physical verification has been conducted by the management at reasonable intervals in respect of finished goods, stores & spare parts and raw materials.
    - ii) Discrepencies noticed on such vertication as compared to book records which were not materials, have been dealt with in the books of account.
    - iii) The procedures followed by the management for such physical verification are in our opinion, reasonable and adequate in relation to the size of the company and the nature of its business.
    - iv) On the basis of our examination, we are satisfied that the valuation of the stocks is fair and proper and in accordance with normally accepted accounting principles and is on the same basis as in the preceding year.
  - The company has not taken any loans secured or unsecured from companies, firms or other parties listed in the register maintained under Section 301 of the Companies Act, 1956. There is no company under the same management as defined under section 370 (1B) of the Act.
