PERFORMANCE OF YOUR COMPANY

Your Company is engaged in fashion accessories, apparels and fabric products. These product basket is such that all or one segment are always winning businesses across India & our traditional markets. The Company is growing on a consistent basis and year 2010-11 was not an exception to the same. The Gross income from operation was Rs. 20679.51 lacs in comparison to Rs. 16033.40 lacs during the previous year. Profit after Tax during the year decreased from Rs. 731.10 Lacs to Rs. 263.46 Lacs during the previous year.

The Operating profit was lower due to increase in input costs as available across various raw material categories, higher lease rentals on expanded retail space and prolonged pressure on realized prices as well discounting to help recessionary markets in Europe & USA. This year has been year of high cost of money, i.e extended credits to buyer has also added to reduced profits.

DIVIDEND

Your Directors are of the view that in the current phase of expansion and the large opportunities of further growth available to the company, there will be a need to conserve the funds. Hence, your directors do not recommend dividend for the year financial year ended March 31, 2011.
