Chairman's Communiqué

My Dear fellow Stakeholders,

I welcome all of you to the 19th Annual General Meeting of the Company. As is well known, the markets across Europe to USA are under severe pressure. These strains end up resulting in financial slackness resulting in a chain reaction for their service providers such as us. While large companies have financial strength and tools to counter such continuously worsening situation, we do not have many options at hand. But, we are trying our best to do with tools that we have. One such tool has been our quality of services.

Confirming to our quality standards, FCS has been assessed at Level-3 for the Capability Maturity Model Integration (CMMI). The assessment done as per the Standard CMMI Appraisal Method for Process Improvement (SCAMPI) methodology, evaluated FCS on stringent parameters including implementation of Process Performance Models, and assessed it at level-3. This is indicative of process implementation that improves quality and provides predictable process performance. We believe that the quality of an organization's processes is reflected in the satisfaction of the client. Your Company has implemented stringent quality assurance and control measures.

Since much of the outsourcing benefits have already been realized, the I.T services industry is facing the twin challenges of commoditization and scalability. Demand is shifting from traditional horizontal offerings to industry specific high value offerings. The prevailing market conditions are not favorable for smaller companies.

The second initiative that we are taking to counter the prevailing conditions is by our efforts to build partnership with US and Europe based companies where the mutual strengths can build momentum for win-win effect. We hope to see positive outcomes within next 12-18 months out of this initiative as it will increase our reach yet will not result in large spread.

Our long term success is entirely dependent on clients, shareholders, employees and well wishers. The times are tough, but your faith and confidence on us, motivates us to face every difficulty and challenge and overcome them. We know that by continued investment in aligning all our stakeholders with our business objectives, we will be able to take care of not only current challenges but also future winds.

At the end, I would like to cordially invite all the shareholders of the Company to attend the 19th Annual General Meeting (AGM) on 28th of August, 2012 at 9.00 AM, at The Executive Club, 439, Village Sahoorpur, Fatehpur Beri, New Delhi – 110 074.
