Operations

During the financial year ending on 31.12.2007, the Gross Turnover of the company was Rs. 6839.47 million as against Rs. 4500.24 million for a period of nine months ending 31.12.06, showing a growth of 14% on an annualized basis. The Company, however, reported a loss after tax of Rs. 186.25 million in the year under review as against loss of Rs. 63.14 million in the nine months ending on 31.12.2006. The company is taking necessary steps to reduce its cost, improve productivity and expects to achieve profits in future.

In view of the losses, it is proposed not to pay any dividend on the equity shares.

Auditors' Comments

The Auditors have made certain comments in their Audit Report, concerning the Accounts of the Company. The Management puts forth its explanations as below:

1. The Company has paid Director's remuneration to whole time directors, which is in excess of permissible limit for remuneration under Schedule XIII of the Companies Act, 1956.

The Company is in the process of applying for Central Government's approval for the Managerial Remuneration and both the Directors have given written confirmations to the Company that in case the Company is not able to obtain the approvals then the Directors will reimburse the Company of all the remuneration paid, which is in excess of the prescribed limits.

2. There are certain items of Plant and Machinery and certain items of furniture at one of the facilities of the Company where the records of fixed assets are maintained for group of similar assets and not for each individual asset.

The Company had acquired those assets from Escorts Limited around 20 years back and therefore no separate records are available for the same. However the cost record of the block of those assets is available and has already been seen by the auditors.

3. Interest free loan of Rs. 180.14 millions has been given to a Company, which in the opinion of the Auditors is prejudicial to the interests of the Company.

The Company has given the said loan to Satara Rubbers and Chemicals Limited, the wholly owned subsidiary of the Company, in respect of the property owned by Satara which is used by the Company as its office premises. Therefore, the Management is of the view that such loan is not prejudicial to the interests of the Company.

Other comments of the Auditors are self-explanatory in their report and are further elaborated in the Notes to Accounts. The Directors' Report should be read in conjunction with the Auditors' report and Notes to Accounts annexed hereinafter.

MANAGEMENT DISCUSSION AND ANALYSIS:

(a) Industry structures and developments

The performance of the Automobile industry, which is our primary market is dependent on various factors like economic and industrial activity, road

infrastructure, income levels, availability of vehicle finance & lending rates, oil and fuel prices impact the performance of the automobile industry along with various norms and regulations. Changes in these norms and regulations also have an impact on component manufacturers like us who have to modify their products to be line with the revised regulations.

(b) Opportunities

Competitive cost benefit for design and manufacture of auto components in India induces OEMs to source auto components from India for world markets. The growth of domestic market in line with economic growth and increased investment in infrastructure is an excellent sign for the auto industry in India.

The company is focusing on expanding exports market in close co-ordination of with its Promoter, Federal Mogul Corporation, and to increase its market share by providing wide range of cost competitive quality products. The company is committed to sustain its domestic market share by offering wide range of products at competitive prices.

Federal Mogul supports the Company in the new product development with manufacturing Technology and also supports manufacturing operations with its technical expertise.

(c) Threats

We have a limited set of customers for whose business, all pistons and piston ring manufacturers compete. As a result, we face intense competition and failure to retain our market share at profitable margins

DIRECTORS' REPORT (Contd.)

can result in further erosion of margins and impact the results of our operations.

(d) Segment wise or product wise performance

OEM business continues to form a significant portion of our business where as in aftermarket business; we face intense competition from the unorganized sector, including cheaper imports.

(e) Outlook

The trends show that the industry should remain buoyant for at least next few years. With the reduction of excise duty for two wheelers and small cars in the recent budget, we expect that the growth will again pick up which has slowed down during the previous year due to hardening of interest rates.

(f) Risks and concern

The Company is exposed to the following risks however the Company has been taking appropriate measures to mitigate these risks on a continuous basis.

(i) **Foreign Currency Risk:** The volatility in global financial markets may have an adverse impact on our business since our business involves both the imports and exports of goods. Any increase in the exchange rate of the rupees vis-à-vis the foreign currency will impact the results of the company.

(ii) **Raw Material Prices:** Being in manufacturing industry, our profitability and cost competitiveness are directly linked to the cost of our raw materials and other inputs as well as our ability to manage procurement at the optimum prices.

(iii) **Availability of capital for capital expenditure:** Ours is a capital intensive business and we need to constantly upgrade our plants and equipment to continue to meet the demands of our customers. Thus investment in research and development and the ability to modify products to meet the changing needs of customers is essential for survival and growth in the industry.

(g) Adequacy of Internal Control System

Your company believes that internal control is principle of governance that freedom of management should be exercised within a framework of appropriate checks and balances. The company has well defined internal control system which aims at the protection of Company's resources, efficiency of operations, checking cost structure, compliance with the legal obligations and company's policies and procedures. The internal audit is a comprehensive function, which covers the review of internal control system in all the plants and depots of the company in a phased manner.

Rights Issue

During the year under review, your company has raised Rs. 106.33 Million by allotment of 7333389 Equity Shares of Rs. 10/- each on right basis at a premium of Rs. 135/- per share to all the existing Equity Shareholders. These shares were listed on both Bombay Stock Exchange and National Stock Exchange of India Limited.

Subsidiary Companies

Federal- Mogul Goetze TPR [India] Limited

During the year ending on 31st December, 2007, the Gross Turnover of the company was Rs. 745.30 million as against Rs. 488.34 million for the period of nine months ending 31.12.2006 showing an increase of 14.40 % on an annualized basis.

Satara Rubbers and Chemicals Limited

The Company showed a total loss of Rs. 4.27 million for the year ending on 31.12.2007 as compared to Rs. 8.24 million for the period of nine months ending 31.12.2006. Steps are being taken to reduce these losses.

Statement pursuant to Section 212 of the Companies Act, 1956 as also the annual accounts of the subsidiaries form a part of the Company's Annual Report.

Consolidated Financial Statements

In compliance with Clause 32 and Clause 50 of the Listing Agreements with the Stock Exchanges, and as per the Accounting Standard on Consolidated Financial Statements (AS 21) issued by the Institute of Chartered Accountants of India, the Audited Consolidated Financial Statements along with the Auditors' Report have been annexed with this report.

Directors' Responsibility Statement

Pursuant to the requirements of Section 217(2AA) of the Companies Act, 1956, with respect to Directors' Responsibility Statement, it is hereby confirmed that:

- In the preparation of annual accounts the applicable accounting standards have been followed and that there have been no material departures;
- The Directors have selected such accounting policies and applied them consistently, except to the extent of deviations required for the better presentation of the accounts and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st December 2007 and of the loss of the Company for the year ended on that date;
- The Directors have taken proper and sufficient care for the maintenance of Companies Act, 1956, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- The Directors have prepared the annual accounts of the Company on a going concern basis.

Directors

Particulars of Employees

The particulars of employees, as required under Section 217(2A) of the Companies Act, 1956 are given as an Annexure to this report.

For and on behalf of the Board

Rustin Murdock
Managing Director & CFO

Jean de Montlaur
Whole Time
Director & President

Place : New Delhi
Date : March 3, 2008

ANNEXURE TO THE DIRECTORS' REPORT

Particulars required under the companies (Disclosure of Particulars in the report of the Board of Directors)

A. CONSERVATION OF ENERGY

Continued efforts were made to effect improvement to production process resulting in reduced energy consumption.

Following are few among them:-

- 1) Implementation of auto lid mechanism.
- 2) Re-rating of motor horse power based on output requirements.
- 3) Capacitor bank & regulating their operation.
- 4) Redesigning of charge baskets & increasing weight of charge.

Additional investment and proposal for reduction in energy consumption

- 1) Optimisation of Air compressors.
- 2) Installation of additional capacitors & power factor controller

Impact of the above measures

The above proposals will result in conservation energy.

B. TECHNOLOGY ABSORPTION

Research & Development (R&D)

1. Specific areas in which the R & D was carried out by the Company

- Development of low cost piston assemblies.

- Low cost coatings.
- Reduction in oil consumption by improving piston assembly.

2. Benefits derived as a result of the above R & D

- Reduction in the product launch time
- Low cost engine piston assemblies will reduce the cost of automobiles.
- Cost reduction in the product development by using low cost material but ensuring satisfactory product performance

3. Future plan of action

- To continue development of new products at lower cost.

4. Expenditure on R & D

- Capital Rs. 0.36 million
- Recurring Rs. 9.29 million.

Total Rs. 9.65 million
Total R&D Expenditure as a percentage of total turnover 0.17%

Technology absorption, adaptation and innovation

1. Technology absorption measures taken by the Company and benefits there from:

The Company has successfully absorbed the technology for the development of low cost coating for gasoline and diesel engine pistons and for better machinability of products.

2. Import of Technology

Technology for: Technical support for the manufacture of Pistons, Rings and Sintered Products

Imported from: Teikoku Piston Ring Co. Ltd., Japan for Steel Piston Rings and Federal Mogul for all other products

Period: 1st January, 2007 to 31st December, 2007

Technology absorption: Flow of technology and absorption is on a continuous basis in the form of technological upgrades and for development of new products.

C. FOREIGN EXCHANGE EARNING AND OUTGO

1. **Exports:** The Company made exports worth Rs. 496.54 Million for the year under review as compared to Rs. 154.75 million for the nine months ending on 31st December, 2006.
